How to know if a construction product is certified by a UK ‘notified body’

Visit the Nando CPR database:

<https://ec.europa.eu/growth/tools-databases/nando/>

Click “Body”.

From the CE marking find the ‘Notified Body No.’

On the Nando webpage use the “Country” column to identify the country in which the ‘notified body’ is registered.

How to find an EU-27 (EU country after the UK leaves the EU) ‘notified body’ for a product with a harmonised standard

On the Nando CPR database, click “Construction products”, then click “Regulation (EU) No 305/2011 - Construction Products”.

Click “Standard” (from the bar above the “Bodies” heading).

Click “Harmonised Standards”.

Using the product’s Standard, find and click on the correct Standard, found under the “Code” column on the webpage.

Use the “Country” column to find a ‘notified body’ from an EU-27 country.
