EU Timber Regulation information event

Companies or individuals placing timber or timber products on the EU market are obliged to meet the requirements of the **EU Timber Regulation**. Under this regulation, Operators must have in place a Due Diligence System (DDS). Contravention of the regulation may result in imprisonment and/or fines.

The Department of Agriculture, Food and the Marine will host an EU Timber Regulation information event on Thursday **27 June 2019**. This event will provide useful information for Operators placing timber or timber products onto the EU market.

The event is free of charge and will take place in **Midlands Park Hotel** in Portlaoise, Co. Laois from 10am to 1pm. Spaces are limited, please contact our team at eutr@agriculture.gov.ie by Friday 14th June to register.
