Building C,  
West Cork Technology Park,  
Clonakilty,  
Co. Cork.

31<sup>st</sup> October 2008

Ref: MS 51/14/122

Dear Mr. Scannel,

I am making application for renewal of Foreshore Seaweed Extraction License for 2008 which was overlooked due to error.

I am applying also for same license for 2009. I have enclosed the necessary details for both years and would appreciate a costing for both at your convenience.

Thank you,  
Yours sincerely,

Francis Melvin.

REF. MS 51/14/122

Questions	Answers
1) State the precise locality of the foreshore from which you propose to remove the material. The name of the townland adjoining that foreshore should be stated.	Kilglass / EASKEY.
2) State the quantity (in tons) and kinds of material required.	47.
3) (a) Is the material for your own use and if so, for what purpose?  (b) Is it to be sold? If so to whom and what use is to be made of it?	FOOD / COSMETIC.
4) Within which period do you propose to remove the material.	2008.
5) If you are a holder of land, give the name of the townland in which your holding is situate and the number of the Land Commissioners Receivable Order (if any) relating thereto.	CABRA. FOLIO 2309.

Signed

Frank Melvin
