Equine semen - Section D

II. Health information		II.a. Certificate reference number	II.b UNN
------------------------	--	---------------------------------------	----------

Notes

(*) Those countries subject to the transitional import arrangements include: an EU member State; Liechtenstein; Norway and Switzerland.

References to European Union legislation within this certificate are references to direct EU legislation which has been retained in Great Britain (retained EU law as defined in the European Union (Withdrawal) Act 2018).

References to Great Britain in this certificate include Channel Islands and Isle of Man.

Part I:

Box I.11.: The place of origin shall correspond to the semen storage centre of semen dispatch

Box I.16: Do not use this box until the end of the transitional staging period.

Box I.17.: The serial number of the individual official document(s) or health certificate(s) that accompanied the semen described above from the approved semen collection centre of its origin to the described above semen storage centre shall be indicated. The original(s) of this/these document(s) or certificate(s) or the officially endorsed copy/copies of thereof must be attached to this certificate.

Box I.22.: The number of packages shall correspond to the number of containers.

Box I.23.: The identification of container and seal number shall be indicated.

Box I.28.: The donor identity shall correspond to the official identification of the animal.
The date of collection shall be indicated in the following format dd/mm/yyyy.

Part II:

(1) Delete as necessary.

(2) Imports of equine semen are authorised from a third country listed in column 2 of Annex 1 to Commission Implementing Regulation (EU) 2018/659 provided that the semen was collected in the part of the territory of the third country detailed in column 4 of that Annex from a donor stallion of the category of equidae indicated in column 11, 12 or 13 of that Annex.

(3) Only approved semen collection or storage centres listed in accordance with Article 17(3) (b) of Directive 92/65/EEC.

(4) Council Directive 92/65/EEC of 13 July 1992 laying down animal health requirements governing trade in and imports into the Community of animals, semen, ova and embryos not subject to animal health requirements laid down in specific Community rules referred to in Annex A(I) to Directive 90/425/EEC).

(5) Only approved semen collection centres listed in accordance with Article 11(4) and Article 17(3) (b) of Directive 92/65/EEC.

(6) The original(s) of the document(s) or the health certificate(s) or the officially endorsed copy/copies thereof that accompanied the semen described above from the approved semen collection centre of the semen origin to the centre of the semen dispatch described in Box I.11 must be attached to this certificate.
