The Balance of Healthcare Services

Epilepsy Partnership in Care

“I’ve never had epilepsy. I’m not an expert in *living* with epilepsy. I’m [only] an expert in medicine”.

Doctor X, 2016

Epilepsy Partnership in Care

Discussion Prompts

- What does patient-centred care mean to you?
- What do you do to make your service more patient-centred?
- What facilitates and what poses barriers to patient-centredness?
