

Oversight Group for the Implementation of Recommendations in the HIQA Investigation Report on Portlaoise Hospital

Terms of Reference

The Terms of Reference of the Oversight Group are as follows:

- To set out what progress is expected to be achieved on each of the recommendations within a given timeline.
- To oversee, report on and highlight the extent of progress being made on the implementation of the HIQA recommendations
- To provide an update on progress of implementation to the Minister on a monthly basis.
- To publish an update on progress of implementation on a quarterly basis.
- To provide an overall assessment to the Minister in December 2015 of the progress being achieved on implementation and to recommend to the Minister what further action might be necessary to ensure full implementation of the recommendations in 2016.
- To conclude its work in June 2016 by providing a final report to the Minister on overall implementation and to recommend what further actions, if any, that are required to be taken. This final report will be published.
