PUBLIC NOTICE

APPLICATION FOR A FORESHORE LICENCE

Notice is hereby given pursuant to Section 19 of the Foreshore Act, 1933 that Ion Organics Ltd, The Acres, Ballyduff, Co. Kerry has applied to the Minister of Housing, Planning and Local Government for a licence under the said Act for the harvesting of wild seaweed, at Black Rock, Ballyheigue, Co. Kerry.

A copy of the application and the relevant maps, plans and drawings are available for inspection for the next 21 working days, free of charge, at Tralee Garda Station, New Road, Tralee, Co. Kerry.

The documentation is available on the Department's website: <https://www.housing.gov.ie/planning/foreshore/applications/ion-organics-ltd>

Any person who wishes to make an objection to, or a representation in respect of the grant of the licence sought should do so in writing, giving reasons, within 21 working days of publication of this Notice (quoting ref: FS006905), to the Marine Environment and Foreshore Section, Department of Housing, Planning and Local Government, Newtown Road, Wexford or [foreshore@housing.gov.ie](mailto:foreshore@housing.gov.ie). The closing date for submissions is close of business on 10th October 2019.

All objections and representations received will be forwarded to the applicant for comment prior to any decision being made in the matter. Material upon which the Minister shall determine this application may be published on the Department's website. In this regard the Department wishes to draw attention to its policy on defamatory material that may be contained in submissions it receives, which may be found at:

<https://www.housing.gov.ie/planning/foreshore/public-participation-foreshore-consent-process>

Dated this 11th day of September 2019

LEGAL NOTICES

**COMHAIRLE CONTAE CHIARRAÍ  
KERRY COUNTY COUNCIL**

**KERRY COUNTY COUNCIL  
NOTICE TO OWNERS AND OCCUPIERS  
ROADS ACT 1993**

**ROADSIDE TREES, DITCHES & HEDGES**

Kerry County Council wishes to give notice that under the terms of the Roads Act, 1993, landowners and occupiers of land are obliged to take all reasonable care to ensure that the trees, ditches, hedges and other vegetation growing on their land are not or could not become a danger to people using or working on a public road.

Examples of hazards might be dead or dying trees, ditches or hedges interfering with traffic, blocking footpaths, obscuring road signs or obscuring a view of the road ahead.

You are required to fell, cut, log, trim or remove such trees, ditches and hedges. Adequate signposting should be provided and the Council and Gardai notified before works commence.

Hedgecutting operations, as far as possible, should only be undertaken outside the critical nesting period of 1st March to 31st August.

**LIABILITY FOR DAMAGE OR INJURY RESULTING FROM SUCH HAZARDS WILL REST WITH THE LANDOWNER/OCCUPIER**

**JAPANESE KNOTWEED**

When cutting your hedges this year, please be aware of the invasive species Japanese Knotweed (JK) Fallopia japonica.

If you do find Japanese Knotweed on your property, the most important thing that you can do is prevent any further spread of the species. Do not trim, cut, fair or chip the plants. Tiny fragments can regenerate new plants and cause the Japanese Knotweed to spread. It is also advised not to dig, move or dump soil which may contain plant material as this will contribute to its spread.

Report it! The location and extent of the infestation should be reported to your local Municipal District Office/Area Office.

**COMHAIRLE CHONTAE CHIARRAÍ  
FÓGRA D'ÚINEIRÍ AGUS D'ÁITTHEOIRÍ  
ACHT NA MBOITHRE 1993**

**CRAINN, CLAOCHA & FÁLTA COIS BÓTHAIR**

Ba mhaith le Comhairle Chontae Chiarraí fógra a thabhairt go bhfuil sé d'obleagáid ar úinéirí agus áititheoirí talún, faoi théarmaí Acht na mBoithre, 1993, gach cúram réasúnach a ghlacadh chun a chinntiú nach bhfuil na crainn, claocha, fálta agus an fásra eile atá ag fás ar a gcuid talún ina gcontúirt do dhaoine ag úsáid nó ag obair ar bhóthar poiblí ná nach binféadfaidís a bheith ina gcontúirt dóibh siúd.

Is iad roinnt de na gnáiseacha a d'fhéadfaidís a bheith i gceist ná crainn mharbha nó crainn ag fáil bháis, claocha nó fálta atá ag cur isteach ar an trácht, ag cur bac ar chosáin, ag folú comharthaí tráchta nó ag folú an amhairc den bhóthar amach rompu.

Ceanglaítear ort crainn, claocha agus fálta dá leithéid a leagan, a ghearradh, lománaíocht a dhéanamh, iad a bhearradh nó iad a bhaint. Ba chóir cuailí eolaí leordhóthanacha a chur ar fáil agus ba chóir an Chomhairle agus na Gardai a thabairt a chur ar an eolas sula gcuirfear tús leis na hoidbreacha.

A mhéid is féidir, ba chóir oibreacha bearrtha fálta a dhéanamh leasmuigh den tréimhse neadacháin chriticiúil ón 1 Márta go dtí an 31 Lúnasa.

**BEIDH ÚINEIRÍ/ÁITTHEOIR NA TALÚN FAOI DHLITEANAS I LEITH AON DAMAISTE NÓ AON GHORTÚ A BHFUIL GNÁISEACHA DÁ LEITHÉID FREAGRACH AS**

**GLÚINEACH BHIORACH**

Nuair atá tú ag gearradh tor i mbilana, bí fíor chúramach leis an speiceas ionrach, an Chlúineach Bhiarach (CB) Fallopia japonica

Má faigheann tú glúineach bhiarach ar do chuid talún, is é an rud is tábhachtaí a dhéanamh ná gan ligint don speiceas leathadh amach níos fálte. Ná dein na plandáir a strúmeáil, a bhaint, a strústéifí ná a shilsiú. Is feidir le píosaí beaga bideacha den phlanda iad féin a athnuachan agus bíonn sé níos deacra fós an fhadhb a choimeád faoi smacht. Moltar gan cre a róimhar, a bhogadh ná a dhumpáil mar go bhféadfaidís ábhar den phlanda a bheith ann a scaipfeadh a thuilleadh é.
