I Identification of the products

(a) Description of the products:

(b) Type and number of packages:

(c) Net weight of consignment:kgs

(d) Shipping marks:

II Origin of the product

(a) Name, address and approval number of the processing plant:

.....
.....

(b) Name and address of exporter:

.....

III Destination of the products

(a) The products were dispatched from:

to
(Country and place of destination)

(b) Name and address of Consignee:

.....

(c) Means of transportation:

IV Health attestation

I, the undersigned, hereby certify that the meat and meat food products described below were derived from poultry which received ante-mortem and post-mortem veterinary inspections at the time of slaughter and were found to be sound, healthful, wholesome and otherwise fit for human food and have not been treated with and do not contain any prohibited preservative or colouring matter and that the meat and meat food products have been handled only in a sanitary manner in this country.

The meat was prepared, handled, stored and transported in accordance with EU regulations.

The meat was produced in slaughterhouse(s) applying a system of Hazard Analysis Critical Control Points (HACCP).

The poultry from which the poultry meat derives originates from an area which has been free from notifiable diseases for the species including Newcastle Disease and HPAI for the past 3 months.
