30 April 2021

Dear Barry,

Further to our conversation, this letter is to confirm that the ADCPs were assessed relative to the NPWS's Guidance to Manage the Risk to Marine Mammals from Man-made Sound Sources in Irish Waters and it is determined that the deployment of the ADCPs will not pose a risk to marine mammals.

Yours Sincerely,

A handwritten signature in black ink, appearing to be "Charlotte O'Kelly", written over a horizontal line.

Charlotte O'Kelly  
Managing Director
