June homelessness report

In order to facilitate an upgrade of the Pathway Accommodation & Support System (PASS), which took place on the weekend of 25-27 June, the count week for the June monthly reports was brought forward by one week to 14-20 June.

Homeless statistics and regional structures

The Department's official homelessness statistics are published on a monthly basis and refer to the number of homeless persons accommodated in emergency accommodation funded and overseen by housing authorities during a specific count week, typically the last full week of the month. The reports are produced through the Pathway Accommodation & Support System (PASS), collated on a regional basis and compiled and published by the Department. Homelessness reporting commenced in this format in 2014.

Monthly homelessness data are published to www.housing.gov.ie on the last working Friday of every month. These data are also available in open format on www.data.gov.ie and are made available under the [Creative Commons CC BY 4.0 License](https://creativecommons.org/licenses/by/4.0/), and are available for reproduction elsewhere, subject to appropriate credit being given to the Department of Housing, Local Government and Heritage.

The administration of homeless services is organised across nine administrative regions, with one local authority in each of the regions, "the lead authority", having overall responsibility for the disbursement of Exchequer funding. In each region a Joint Homelessness Consultative Forum exists which includes representation from the relevant State and non-governmental organisations involved in the delivery of homeless services in a particular region. Delegated arrangements are governed by an annually agreed protocol between the Department and the lead authority in each region. These protocols set out the arrangements, responsibilities and financial/performance data reporting requirements for the delegation of funding from the Department.

Under *Sections 38 and 39 of the Housing (Miscellaneous Provisions) Act 2009* a statutory Management Group exists for each regional forum. This is comprised of representatives from the relevant housing authorities and the Health Service Executive, and it is the responsibility of the Management Group to consider issues around the need for homeless services and to plan for the implementation, funding and co-ordination of such services.
