IV Health attestation,

I, the undersigned, hereby certify that the meat and meat food products described above were derived from cattle, which received ante-mortem and post-mortem veterinary inspections at the time of slaughter and are sound, healthful, wholesome and otherwise fit for human food and have not been treated with and do not contain any prohibitive preservative or colouring matter and that the meat has been handled only in a sanitary manner in this country.

Cattle are sourced and slaughtered from BSE and FMD-free areas or farms that are under the regulatory control of the Department of Agriculture, Food and the Marine (DAFM).
