

Housing for All

Housing First

What is Housing First?

A person-centred approach which provides permanent, secure accommodation for people with a history of rough sleeping or long-term use of emergency accommodation, and complex needs. Intensive health and mental health supports are provided as required to help people maintain tenancies.

Who delivers the tenancies?

Local authorities, in partnership with the HSE and NGOs. Between 2018 and 2021, local authorities are set to deliver 663 tenancies.

How many tenancies will be provided?

Through **Housing for All** we are committing to providing an extra 1,200 tenancies to 2026.
