- 2.7 Any reference to a clause, sub-clause or schedule means a clause, sub-clause or schedule of this Licence.
- 2.8 If any term or provision in this Licence is held to be illegal or unenforceable in whole or in part, such term shall be deemed not to form part of this Licence but the enforceability of the remainder of this Licence is not affected.
- 2.9 References in this Licence to any rights granted to the Licensee shall be construed as being granted to the Licensee and all persons authorised by the Licensee to exercise such rights.
- 2.10 Rights excepted to the Licensor or reserved to any indemnities to the Licensor are to benefit also any other licensor and if necessary and appropriate the occupiers of the

remainder of the Licensed Area, any occupier of adjoining or neighbouring property or Foreshore and any other person authorised by the Licensor or having similar rights.

2.11 Any right or privilege conferred on the Licensor under this Licence shall be deemed to be exercisable by the Licensor during the Term.

2.12 References to "month" or "months" mean a calendar month or months.

2.13 The Term shall extend to and include the term set out herein and if properly determined prior to the expiry of the Term, the Term shall mean the Term up to the date of such determination and expression such as the last year of the Term shall be construed accordingly.

3 GRANT OF LICENCE

3.1 The Licensor in exercise of the powers vested in him by section 3(1) of the Foreshore Act, 1933 hereby grants to the Licensee a licence to enter onto, use and occupy the Licensed Area on the terms and conditions set out in this Licence and in particular the Specific Conditions set out in the Second Schedule for the purpose of completing the Operations.

3.2 Unless otherwise permitted by Law and with the written consent of the Licensor, the Licensee shall not use the Licensed Area for any other purpose other than the Permitted Use.

3.3 For the avoidance of all doubt, this Licence does not include the right to get and take any minerals within the meaning of section 3 (8) of the Foreshore Act.

4 TERM

4.1 This Licence shall commence on the 1st day of September 2021.

4.2 Subject to clause 12, this Licence shall remain in force for a period of 40 (forty) years from the Commencement Date.

5 LICENCE FEE

5.1 In consideration of the grant of this Licence, the Licensee shall pay to the Licensor the sum of:

- (i) [REDACTED] on the execution of this Licence; and
- (ii) [REDACTED] annually payable from the Commencement Date of the Licence and no less amount annually thereafter, but subject to revision by increase for each successive period of five years on the Review Dates.

6 COMMENCEMENT OF OPERATIONS

- 6.1 The Licensee shall not commence any works associated with the Operations in the Licensed Area, without the prior written consent of the Licensor.
- 6.2 The Licensor is not obliged to grant consent pursuant to clause 6.1 unless and until the Licensee has obtained and provided to the Licensor in respect of the relevant works, activities or operations copies of all the necessary permits, licences, approvals, consents, registrations, permissions and authorisations.
- 6.3 The Licensee shall notify the Licensor in writing at least 14 (fourteen) Business Days in advance of the commencement of works associated with the Operations in the Licensed Area.

7 COMPLIANCE WITH APPLICABLE LAWS

- 7.1 The Licensee shall at all times comply with all applicable Law and Environmental Law.
- 7.2 Without prejudice to the generality of clause 7.1, the Licensee shall at all times hold all necessary permits, licences, approvals, consents, permissions, registrations or authorisations associated with any activities of the Licensee in connection with the Licensed Area (to include Plant and equipment utilised therein).

8 SPECIFIC CONDITIONS

- 8.1 Unless the prior written approval of the Licensor is obtained, which approval may be granted subject to conditions, the Licensee shall ensure that:
 - (1) all Operations are in accordance with the Specific Conditions and such Operations at all times comply with the Specific Conditions which are applicable at the date that such Operations took place; and

- (2) no Operations, development, work, construction or installation is undertaken in the Licensed Area that does not comply with the Specific Conditions.

8.2 The Specific Conditions may be amended from time to time:

8.2.1 by agreement between the parties;

8.2.2 by the Licensor by notice in writing to the Licensee if the Licensor reasonably considers it necessary to do so for reasons of public safety or protection of the environment.

8.3 If at any stage the Licensee becomes aware that any Operations or works do not comply with the Specific Conditions that were applicable at the date that such Operations took place or such works were performed (whether as a result of notification by the Licensor or other competent authority or otherwise), the Licensee shall immediately:

- (1) notify the Licensor, unless the Licensee was notified by the Licensor;
- (2) unless the Licensor otherwise agrees in writing, take all reasonable steps to ensure that:
 - (a) such Operations or works comply with the Specific Conditions that were applicable at the date that such Operations took place or such works were performed, as the case may be; and
 - (b) any adverse consequence arising out of the fact that the Operations did not comply with the Specific Conditions or works were not performed in accordance with the Specific Conditions, as the case may be, are rectified to the satisfaction of the Licensor as soon as is reasonably practicable.

9 OPERATIONS IN CONNECTION WITH THIS LICENCE

9.1 The Licensee may, from time to time, with the prior written consent of the Licensor, occupy and use so much of the adjacent Foreshore as is reasonably required by the Licensee to exercise its rights pursuant to clause 3.1 and shall restore the said Foreshore to its proper condition to the satisfaction of the Licensor after such occupation and use.

9.2 Without prejudice to any other rights and obligations under this Licence, or at Law or Environmental Law, in exercising any of the rights or performing any obligations in connection with this Licence, the Licensee shall:

- (1) not use the Licensed Area or permit the same to be used otherwise than for the Permitted Use and for no other purpose or purposes whatsoever;
- (2) comply with the Specific Conditions described in the Second Schedule hereto at all times;
- (1) ensure that all Operations, Plant, works or structures in the Licensed Area (if any) are at all times maintained in a good and proper state of repair and condition to the satisfaction of the Licensor, ensuring that they do not constitute a public health hazard or danger to persons, animals, marine life or the Environment, nor be injurious to navigation, the adjacent lands and/or Foreshore or the public interest;
- (2) Not Encumber this Licence without the prior written consent of the Licensor, the Licensor's consent not to be unreasonably withheld;
- (3) at all times maintain appropriate resources to ensure the proper exercise of all rights and the performance of all obligations in connection with this Licence including:
 - (a) ensuring that all necessary competent persons are engaged to carry out any works, activities, or Operations pursuant to this Licence;
 - (b) using suitable Plant, machinery and equipment which is in good repair and condition and maintained to proper safety standards;
- (4) use all reasonable endeavours to minimize damage and disturbance to the Environment, fisheries and all other maritime activities and restore any damage which does occur, to the satisfaction of the Licensor;
- (5) not commit or suffer any waste, spoil or destruction on the Foreshore, other than waste, spoil or destruction:
 - (a) which is reasonably necessary as a consequence of the exercise of rights and performance of obligations pursuant to this Licence; and

- (b) in respect of which the Licensee holds all necessary permits, consents, licences, permissions, authorisations or registrations required by Law or Environmental Law;
- (6) carry out an analysis and monitoring of the Licensed Area and the waters within the immediate vicinity to the satisfaction of the Licensor or to pay to the Licensor all expenses incurred by the Licensor or a person duly authorised by him, to carry out such analysis and monitoring;
- (9) unless otherwise permitted by Law, not undertake any works, activities or operations, other than navigation, outside the Licensed Area without the prior written consent of the Licensor and, where appropriate, any occupiers of such sea-bed;
- (10) not, without the prior written consent of the Licensor, carry out any works, activities or operations which, in the reasonable opinion of the Licensor, are injurious to or interfere unreasonably with fishing, navigation, adjacent lands and/or Foreshore, approved scientific research or the public interest;
- (11) ensure that adequate warning notices, fencing or other appropriate security and safety measures are in place at all works and structures associated with the Operations during construction or otherwise and, where necessary, for the duration of this Licence;
- (12) permit the Licensor and any persons duly authorised by him at any time to remove from the Licensed Area and abate all buildings, works or materials which may have become dilapidated or abandoned or which may have been constructed without the consent required under this Licence or which may in the opinion of the Licensor be injurious to navigation, the adjacent lands and/or Foreshore, or the public interest and to restore the Licensed Area to its former or proper condition and to erect or construct any building or works which in the opinion of the Licensor may be required for the purposes of navigation, the adjacent lands and/or Foreshore or the public interest. The Licensee shall compensate the Licensor for all costs associated with the aforesaid removal or abatement.

9.3 Without prejudice to any other remedy under this Licence, at Law or Environmental Law, if the Licensor is of the view that the Licensee is in breach of any obligation

pursuant to clause 9.2, the Licensor may, by notice in writing, require that the Licensee rectify such breach within such reasonable time period as is specified by the Licensor.

9.4 The Licensee shall comply with any direction of the Licensor under clause 9.3 within the time specified in the notice.

10 INVESTIGATIONS, INSPECTIONS AND ENQUIRIES

10.1 The Licensor may conduct or cause to be conducted such investigations, inspections and enquiries in connection with this Licence as he sees fit.

10.2 The Licensee shall use all reasonable endeavours to co-operate fully and provide all reasonable assistance in relation to any investigation, inspection or enquiry conducted pursuant to clause 10.1.

10.3 The Licensee acknowledges and agrees that, unless the contrary intention is expressed, any investigation, inspection or enquiry undertaken pursuant to this Licence:

- (1) is without prejudice to the Licensee's rights and obligations under this Licence, at Law or Environmental Law and does not amount to a waiver of any such rights or relieve the Licensee from any such obligations; and
- (2) does not amount to an acknowledgement by the Licensor, or any officer, servant or agent of the Licensor, that the Licensee has complied with this Licence, Law or Environmental Law in relation to any matters to which the investigation, inspection or enquiry relates.

11 STEP IN RIGHTS

11.1 If at any time any obligation of the Licensee under this Licence is not performed, the Licensor may give written notice to the Licensee (hereinafter referred to as a "**Cure Notice**") describing the obligation which is not performed and requiring such failure to be remedied within the period specified in the Cure Notice (which period must be reasonable having regard to the nature of the obligation which was not performed).

11.2 If the failure to perform the obligation referred to in the Cure Notice is not remedied within the period specified in such Cure Notice, the Licensor shall be entitled to engage any personnel, execute any works and to provide and install any equipment which in

the opinion of the Licensor may be necessary to secure the performance of the relevant obligations.

11.3 The Licensor may recover the costs and expenses of exercising all rights under clause 11.2 from the Licensee as a civil debt in any court of competent jurisdiction.

11.4 The rights under this clause 11 are without prejudice to any other remedies available to the Licensor under this Licence, at Law or Environmental Law.

12 TERMINATION

12.1 The Licensor may, without prejudice to any other remedies available under this Licence, applicable Law or Environmental Law, terminate this Licence, by notice in writing to the Licensee upon the occurrence of the following events **without payment of any compensation or refund by the Licensor to the Licensee and without prejudice to any claim by the Licensor in respect of any antecedent breach of any covenant or condition herein contained or without prejudice to any obligation or liability on the part of the Licensee arising under any applicable Law or Environmental Law pursuant to this Licence (including any accrued rights or obligations which exist at the date of termination or expiry of this Licence):**

- (i) Where, in respect of the application for this Licence, information has been withheld from the Licensor or information provided to the Licensor is false or misleading in any particular;
- (ii) if any moneys payable by the Licensee under this Licence are not paid by the due date for payment and such failure is not remedied within 21 days after receipt by the Licensee of a notice from the Licensor requiring such breach or non-observance or non-performance to be remedied and stating that this Licence may be terminated pursuant to clause 12.1(ii) if such breach or non-observance or non-performance is not remedied;
- (iii) any breach, non-performance, or non-observance by the Licensee of any covenant on the Licensee's part, condition or agreement contained in this Licence, applicable Law or Environmental Law, which is capable of being remedied and which is not remedied within 21 days after receipt by the Licensee of a notice from the Licensor requiring such breach, non-performance or non-observance to be remedied and stating that this Licence may be

terminated pursuant to clause 12.1(iii) if such breach or non-performance or non-observance is not remedied;

- (iv) any breach, non-observance or non-performance by the Licensee of any covenant on the Licensee's part (including a covenant for payment of rent, royalty or other money), condition or agreement contained in this Licence, applicable Law or Environmental Law;
- (v) repeated breach, non-observance or non-performance by the Licensee of any provision of this Licence, at Law and/or Environmental Law which has been notified to the Licensee by the Licensor and which has not been disputed in good faith, whether or not they are remedied, which are reasonably determined by the Licensor to constitute a breach and which continue after receipt by the Licensee of a notice from the Licensor stating that the Licence may be terminated if such repeated breach, non-observance or non-performance continues;
- (vi) in the event that the Licensee fails to complete the Operations in accordance with the Plans approved by the Licensor to the satisfaction of the Licensor;
- (vii) the Licensor is of the view that the capability of the Licensee to discharge fully its obligations under this Licence is materially impaired, including by reason of:
 - (1) the occurrence of the insolvency/liquidation (other than a voluntary liquidation for the purposes of reconstruction or amalgamation) of the Licensee; or
 - (2) any other adverse change in the managerial, technical or financial competence of the Licensee;
- (viii) the Licensee is listed as dissolved or struck off the Register in the Companies Registration Office in the Republic of Ireland; or
- (ix) the Licensee otherwise ceases to exist.

12.2 Without prejudice to Clause 12.1, this Licence may be determined at any time by the Licensor giving three months' notice in writing, expiring on any day, to the Licensee, and upon the termination of such notice the Licence and permission hereby granted shall be deemed to be revoked and withdrawn without payment of any compensation

or refund by the Licensor to the Licensee and without prejudice to any claim by the Licensor in respect of any antecedent breach of any covenant or condition herein contained or without prejudice to any obligation or liability on the part of the Licensee arising under any applicable Law, Environmental Law or pursuant to this Licence (including any accrued rights or obligations which exist at the date of termination or expiry of this Licence).

13 RIGHTS AND OBLIGATIONS ON TERMINATION OR EXPIRY

13.1 On the termination or expiry of this Licence:

- (1) All rights and powers exercisable by the Licensee pursuant to this Licence shall cease and determine, but without prejudice to any obligation or liability arising under any applicable Law, Environmental Law or pursuant to this Licence (including any accrued rights or obligations which exist at the date of termination or expiry of this Licence) or without prejudice to any claim by the Licensor in respect of any antecedent breach of any covenant or condition herein contained.
- (2) All Operations belonging to the Licensee shall be removed by the Licensee on the termination or expiry of this Licence at its own expense to the satisfaction of the Licensor and the Licensee shall make good any damage caused by such removal and shall restore the **Licensed Area to its former condition to the satisfaction of the Licensor.**

In the event that the Operations shall not be removed in agreement with the Licensor on the termination or expiry of this Licence, the Licensor may cause the Operations to be removed and the Licensee shall pay to the Licensor all reasonable costs, expenses and outgoings incurred in so removing the Operations, restoring the Licensed Area to its former condition and making good any damage thereby occasioned.

- (3) The Licensor may recover the costs and expenses of exercising all rights under clause 13.1 (2) from the Licensee as a civil debt in any court of competent jurisdiction.
- (4) Any moneys paid to the Licensor under the terms of this Licence shall not be re-paid.

14 PAYMENT AND INVOICING

14.1 All payments by the Licensee in connection with this Licence:

- (1) shall be made by electronic funds transfer delivered on or before the due date for payment, to the Licensor's account which shall be notified to the Licensee by the Licensor in writing and;
- (2) shall be paid in full, without deduction or set off in respect of any amounts in dispute or any other amounts whatsoever.

14.2 If any amount which is payable under this Licence has not been paid on or before the date that payment is due:

- (1) the party to whom payment is due may institute proceedings for recovery from the other party; and
- (2) in addition to any other remedies under this Licence, the party to whom payment is due is to be paid interest on the outstanding amount at Euribor + 1%, such interest to be calculated from the date that payment was due until the date of actual repayment.

15 REPRESENTATION AND WARRANTIES

15.1 The Licensee represents and warrants to the Licensor that:-

- (1) The Licensee is duly incorporated and organised under the laws of its place of incorporation;
- (2) The Licensee has the corporate capacity and authorisation (internal and external) to enter into and perform the terms of the Licence;
- (3) The representative signing this Licence on behalf of the Licensee is duly authorised in that behalf.

15.2 This Licence expressly excludes any warranty, condition or other undertaking implied at law or by custom and supersedes all previous agreements and understandings between the parties with respect to the subject matter hereof, other than as expressly provided for in this Licence.

16 ASSIGNMENT AND CHANGE OF CONTROL

The benefit of this Licence is personal to the Licensee and not assignable and the rights given hereunder may only be exercised by the Licensee.

17 INDEMNITIES

17.1 To keep the Licensor, the State, and their officers, servants, visitors, agents and employees fully indemnified, whether by State Indemnity or otherwise (during the Term of the Licence as well as after the expiration of the Term by effluxion of time or otherwise and including any extension or renewal of this Licence) from and against all or any actions, proceedings, claims, demands, losses, costs, fees, expenses, damages, penalties and other liabilities arising directly or indirectly from:

17.1.1 breach by the Licensee of any of the provisions of this Licence;

17.1.2 the state of repair or condition of the Licensed Area;

17.1.3 the existence of any additions, articles or alterations in, on or to the Licensed Area or from the state of repair or condition of any such additions, articles or alterations;

17.1.4 the use or enjoyment of the Licensed Area;

17.1.5 any work carried out or in the course of being carried out to the Licensed Area (to include work undertaken from the Adjoining Property) by the Licensee, his servants, agents or any other person with its actual or implied authority or from anything now or hereafter attached to or projecting from the Licensed Area;

17.1.6 any act, neglect or default of the Licensee or any person on the Licensed Area with his actual or implied authority or consent;

17.1.7 the execution of any works or the provision or maintenance of any arrangements
so directed or required by any Law;

17.1.8 any contravention of the Planning Acts, the Building Control Acts, Construction Regulations, Environmental Laws and/or the Public Health Acts and from any applications for planning permission, commencement notices, fire safety certificates, Environmental Licences and works and actions taken in pursuance thereof;

17.1.9 any contravention of the Local Government (Water Pollution) Act, 1977 as amended;

17.1.10 any other cause whatsoever arising out of the Operations and/or Licensed Area;

and to make good all loss sustained by the Licensor in consequence of any breach by the Licensee of any covenants or conditions herein.

17.2 whenever required to do so by the Licensor, to produce to the Licensor for inspection the Confirmation Statement and to comply with all conditions pertaining to State Indemnity.

18 JOINT AND SEVERAL LIABILITY (IF MORE THAN ONE LICENSEE)

Save where otherwise specified, any obligations of the Licensee under this Licence are joint and several obligations.

19 FORCE MAJEURE

19.1 Except as otherwise provided by this Licence, where any party or parties are rendered wholly or partially incapable of performing all or any of their obligations under this Licence by reason of Force Majeure:

- (1) as soon as is reasonably practicable, the party affected by Force Majeure shall notify the other parties, identifying the nature of the event, its expected duration and the particular obligations affected and shall furnish reports at such intervals reasonably requested by the other party during the period of Force Majeure;
- (2) this Licence shall remain in effect but that party's obligations, except for an obligation to make payment of money, and the corresponding obligations of the other party, shall be suspended, provided that the suspension shall be of no greater scope and no longer duration than is required by the Force Majeure;

- (3) subject to full compliance with this clause 19.1, during suspension of any obligation pursuant to clause 19.1(2), the relevant party or parties shall not be treated as being in breach of that obligation;
- (4) the party affected by the Force Majeure shall use all reasonable efforts to remedy its inability to perform all or any of its obligations under this Licence by reason of Force Majeure and to resume full performance of its obligations under this Licence as soon as is reasonably practicable;
- (5) as soon as is reasonably practicable after notification of the Force Majeure, each party shall use all reasonable endeavours to consult with the other party as to how best to give effect to their obligations under this Licence so far as is reasonably practicable during the period of the Force Majeure;
- (6) upon cessation of a party's inability to perform all or any of its obligations under this Licence by reason of Force Majeure, that party shall notify the other party; and
- (7) insofar as is possible, any party affected by an event of Force Majeure shall do all things reasonably practicable to mitigate the consequences of the Force Majeure.

19.2 Clause 19.1(4) shall not require the settlement of any strike, walk-out, lock-out or other labour dispute on terms which, in the sole judgement of the party involved in the dispute, are contrary to its interests.

20 DISPUTE RESOLUTION

20.1 Subject to clause 20.10, no party may commence proceedings in relation to any Dispute in connection with this Licence without first complying with the provisions of clause 20.

20.2 Any party may notify the other party of the occurrence or discovery of any item or event which the notifying party acting in good faith considers to be a Dispute under or in connection with this Licence (hereinafter referred to as a "**Dispute Notice**").

20.3 A Dispute Notice shall:

- (1) set out the particulars of the issues in dispute in sufficient detail and be accompanied by sufficient supporting documentation (if relevant) to enable the recipient or recipients of the notice to fully understand the Dispute; and
- (2) identify an individual to represent that party in discussions in relation to the Dispute, such individual to have:
 - (a) expertise or experience in the subject matter of the Dispute; and
 - (b) authority to negotiate in relation to the Dispute.

20.4 The recipient of a Dispute Notice shall, within 10 Business Days after the date of the Dispute Notice:

- (1) appoint an individual to represent that recipient in discussions in relation to the Dispute, such individual to have:
 - (a) expertise or experience in the subject matter of the Dispute; and
 - (b) authority to negotiate in relation to the Dispute; and
- (2) notify the details of that individual to the sender of the Dispute Notice.

20.5 The nominated representatives shall meet as soon as practicable, but in any event not more than 20 Business Days after the date of the Dispute Notice, to attempt in good faith using all reasonable endeavours to resolve the Dispute satisfactorily.

20.6 If a Dispute is not resolved to any party's satisfaction by the nominated representatives under clause 20.5 within 30 Business Days after the date of the Dispute Notice, the Dispute may, by notice in writing by any party to the other party to the Dispute, be referred to arbitration for determination by a single arbitrator appointed by agreement between the parties.

20.7 Failing agreement on the appointment of an arbitrator within the time frame set out in clause 20.6, the arbitrator shall be appointed at the request of any party, after giving notice in writing to the other party to the Dispute, by the President for the time being of the Law Society of Ireland.

- 20.8 The provisions of the Arbitration Acts 1954 to 2010 and any amendments thereto shall apply to the arbitration.
- 20.9 Performance of obligations under this Licence shall continue during any Dispute Resolution Procedure pursuant to this clause 20.
- 20.10 Nothing in this clause 20 prevents any party from seeking urgent declaratory injunctive or other interlocutory relief.

21 COMPLIANCE WITH PLANNING

- 21.1 The Licensee shall obtain all planning permissions, fire safety certificates, Environmental Licences, permissions and other consents required for the construction, installation and operation of the Operations and comply at its own cost therewith and any local authority requirements. On the completion of the Operations, the Licensee shall furnish the Licensor with its architect's/engineer's certificate of compliance in respect of such permissions and/or consents, if applicable.
- 21.2 The Licensee shall not implement any planning permission before it and all required fire safety certificates and Environmental Licences have been produced to the Licensor.
- 21.3 In the event of the Licensed area or the Operations or the construction and installation thereof not conforming to the planning permission, fire safety certificate or Environmental Licences procured in respect thereof, the Licensee shall carry out such alterations or amendments as shall be necessary to comply therewith. However in the event of it becoming impossible to comply with the planning permission, fire safety certificate or Environmental Licences procured, to restore the Licensed Area to its former condition and to the satisfaction of the Licensor.
- 21.4 The Licensee shall not do anything on or in connection with the Licensed Area, Plant and equipment the doing or omission of which shall be a contravention of the Planning and Development Acts, 2000 to 2010 as amended, the Building Control Acts 1990 to 2007, as amended and the Safety, Health and Welfare at Work Act 1989 and 2005, as amended or of any notices, orders, licenses, consents, permissions and conditions (if any) served, made, granted or imposed thereunder. In the event of permission or approval from any local authority under the Planning and Development Acts 2000 to 2010, as amended, or the Building Control Acts 1990 to 2007, as amended, or the Local Government (Sanitary Services) Act, 1878, as amended or the Public Health

Acts 1878 to 2001, as amended, and any statutory modification or re-enactment thereof for the time being in force and regulations or order made thereunder being necessary for any addition, alteration or change in or to the Licensed Area for the change of use thereof, to apply, at its own cost to the relevant local authority for all approvals, certificates, consents and permissions which may be required in connection therewith and to give notice to the Licensor of the grant or refusal (as the case may be) together with copies of all such approvals, certificates, consents and permissions forthwith on receipt thereof and to comply with all conditions, regulations, bye-laws and other matters prescribed by any competent authority whether generally or specifically in respect thereof and to carry out such works at the Licensee's own expense in a good and workmanlike manner to the satisfaction of the Licensor. The Licensee shall produce to the Licensor on demand all plans, documents and other evidence as the Licensor may reasonably require in order to satisfy himself that the provisions of this Licence have been complied with in all respects.

- 21.5 The Licensee shall give notice forthwith to the Licensor of any notice, order or proposal for a notice under the Planning and Development Acts, 2000 to 2010 as amended or the Building Control Acts 1990 to 2007 as amended, or the Local Government (Sanitary Services) Act, 1878, as amended, or the Public Health Acts, 1878 to 2001, as amended and comply at its own cost therewith.

22 OUTGOINGS

- 22.1 The Licensee shall pay and discharge:
- (i) All rates, taxes, duties, charges, assessments, impositions and outgoings whatsoever charged, levied, assessed, imposed upon or payable in respect of the Licensed Area associated with the Operations.
 - (ii) All costs associated with the Operations and the continued operation and use thereof including the cost of any work which the Licensor may have to do to facilitate any act or thing hereby authorised.

23 EXERCISE OF RIGHTS

- 23.1 To exercise the Licence hereby granted in such a manner as to cause no damage or injury to the Licensed Area, the Licensor, the occupants of the Licensed Area and any

adjoining property or Foreshore and to forthwith from time to time with due diligence repair and make compensation for any such damage or injury that may be so caused.

24 INSURANCE/STATE INDEMNITY

Without prejudice to the Licensee's liability to indemnify the Licensor (and others as specified in clause 17) in accordance with the provisions of Clause 17:-

24.1 to insure and keep insured, in an insurance office licensed to operate in the State or which has received authorisation to operate in the State in accordance with Article 14 of Directive 2009/138EC in the joint names of the Licensor and the Licensee in the full reinstatement cost thereof (to be determined from time to time by the Licensor or his surveyor and including an inflationary factor) the Licensed Area and all buildings thereon and the fixtures and fittings therein (if any) against loss or damage by the Insured Risks, including demolition and site clearance expenses, architects' and other fees and taxes in relation to the reinstatement of the Licensed Area, such policy to include a non-invalidation clause acceptable to the Licensor.

24.2 to effect and keep in force a public liability insurance policy of indemnity in the joint names of the Licensor and Licensee in an insurance office licensed to operate in the State with a limit of [REDACTED] [REDACTED] (or such increased amount as the Licensor may from time to time determine) in respect of any one claim or a series of claims arising out of a single occurrence for any damage, loss or injury which may occur to any property (not being the property of the Licensor or the Licensee) or to any person by or arising out of the admission of any person to the Licensed Area, and to extend such policy so that the Licensor is indemnified by the insurers in the same manner as the Licensee or to provide the Confirmation Statement referred to at 24.5 below. This policy should include an indemnity to principles clause with a specific indemnity to the Licensor.

24.3 to effect and keep in force an employer's liability insurance policy of indemnity in the joint names of the Licensor and Licensee in an insurance office licensed to operate in the State with a limit of [REDACTED] [REDACTED] (or such increased amount as the Licensor may from time to time determine) for any one claim or a series of claims arising out of a

single occurrence and to extend such policy so that the Licensor is indemnified by the insurers in the same manner as the Licensee in respect of all actions, costs, proceedings, losses, damages, or claims for personal injuries by employees of the Licensee or to provide the Confirmation Statement referred to at 24.5 below. This policy should include an indemnity to principles clause with a specific indemnity to the Licensor.

24.4 in the event that the Licensed Area or the Operations or any part thereof, shall be destroyed or damaged by fire or any of the Insured Risks, then and as often as shall happen, to lay out all monies received in respect of such insurance as aforesaid as soon as practicable in or upon rebuilding, repairing or reinstating the Licensed Area in a good and substantial manner and in the event that such monies shall be insufficient for the said purpose, to make good the deficiency.

24.5 whenever required to do so by the Licensor, to produce to the Licensor for inspection the said policy or policies together with the latest receipt of the premium paid for renewal of the said policy or policies together with evidence of waiver of subrogation rights against the Licensor by the Licensee's insurers, and to comply with all conditions pertaining to any such policy or policies or where State Indemnity is relied on whenever required to do so by the Licensor, to produce to the Licensor for inspection the Confirmation Statement.

24.6 such joint policy or policies, if required, to contain a non-vitiating clause whereby subject to the terms, conditions, limitations of the policy or policies, any non-disclosure, mistake or misrepresentation of a material fact by the Licensee gives sufficient reason for the insurer to prove the insurance policy to be void, the Licensor will not be denied the protection of the policy.

24.7 not to do or omit to do anything which might cause any policy of insurance (if required) relating to the Licensed Area or any Adjoining Property owned by the Licensor to become void or voidable, wholly or in part, nor (unless the Licensee has previously notified the Licensor and the Licensee has agreed to pay the increased premium) to do anything whereby any abnormal or loaded premium may become payable.

24.8 to immediately notify the Licensor in writing of the making of any claim under any policy of insurance or State Indemnity and to provide the Licensor with all

information in relation to any such claim.

- 24.9 to ensure that any contractors, servants, agents, invitees or visitors of the Licensee engaged in connection with activities in the Licensed Area or otherwise in connection with this Licence have appropriate insurance and that all copies of such insurance policies shall be provided to the Licensor as soon as is reasonably practicable.

25. NOTICES

- 25.1 Save where otherwise provided, any demand or notice to be made, given, or served on foot of this Licence may be given in writing by sending same by pre-paid post to (i) the registered office of the Licensee at 70 Sir John Rogerson's Quay, Dublin 2 D02R296 or such other address as shall be notified by the Licensee to the Licensor, in writing, or (ii) the office of the Licensor being Custom House, Dublin, D01 W6X0 or such other address as shall be notified to the Licensee, in writing.
- 25.2 Any such demand or notice shall be deemed to have been made, given or served when posted at the expiration of three working days after the envelope containing the same and properly addressed was put in the post.

26. VARIATION

No amendment to this Licence shall be effective unless it is in the form of a supplemental instrument executed by the parties.

27. RELATIONSHIP OF THE PARTIES

- 27.1 Nothing in this Licence may be interpreted or construed as creating any landlord and tenant relationship, any tenancy in or right to possession of or any right of easement over or in respect of the Licensed Area or adjoining property/Foreshore of the Licensor, or any agency, association, joint venture or partnership between the Licensor and the Licensee.
- 27.2 Except as is expressly provided for in this Licence, nothing in this Licence grants any right, power or authority to any party to enter into any agreement or undertaking for, act on behalf of or otherwise bind any other party.
- 27.3 It is hereby certified for the purposes of Section 29 of the Companies Act 1990, as amended, that the Licensor is not a director or a person connected with a director of

the Licensee.

28. SEVERABILITY

28.1 If any provision of this Licence is or becomes or is declared invalid, unenforceable or illegal by the courts of any jurisdiction to which it is subject or by order of the relevant body of the European Union, that provision shall be severed and the remainder of this Licence shall remain in full force and effect.

28.2 The parties shall comply with this Licence as amended in accordance with this clause 28.

29. STAMP DUTY

To stamp (if applicable) this Licence and counterpart thereof as soon as practicable after the execution of same and to furnish the counterpart duly stamped to the Chief State Solicitor on behalf of the Licensee within three months of the date of execution of the Licence.

30. GOVERNING LAW

30.1 The Licence shall be governed and construed in accordance with the laws of Ireland.

30.2 Subject to clause 20, the parties hereby submit irrevocably to the non-exclusive jurisdiction of the courts of Ireland.

AND

ALL THAT AND THOSE that part of the Foreshore comprising 0.5006 hectares or thereabouts metric measure together with any works or other structures thereon or to be hereafter constructed thereon, situate at the estuary crossing of the River Campile, County Wexford more particularly shown outlined in red Drawing No. FL001 Rev P2 dated the 1st of December 2020 attached hereto and including, without prejudice to the generality of the foregoing, the Plans.

SECOND SCHEDULE

“SPECIFIC CONDITIONS”

31. Throughout the Term of the Licence:

31.1 The Licensee shall use that part of the foreshore, the subject matter of this licence for the purposes as outlined in the application and for no other purposes whatsoever.

31.2. The submarine cable shall be laid within the route corridor as outlined on Drawing No: P1975-CORR-003 entitled Foreshore Licence Map and dated June 17, 2019 and the Campile River crossing shall be laid within the area as outlined on Drawing FL001 Rev P2 entitled Foreshore Licence Map and dated the 01.12. 2020.

31.3. Cable installation and maintenance shall be completed in strict accordance with the application and supporting documents provided in the application process. Decommissioning procedure, at the time of decommissioning, shall be in accordance with best practise up to and including full removal, or otherwise agreed with the Licensor in compliance with all legislation and environmental requirements.

31.4. Works on the foreshore shall be certified by a suitable qualified Chartered Engineer stating that they conform to the relevant national/international Standard Specification or Codes of Practice. On completion of the works the said Chartered Engineer shall certify that the works have been completed in accordance with the plans and particulars lodged with the application, together with a drawing and a route position list showing the “as-laid location” for the submarine cable. Information on the burial depths and areas where rock placement was used to protect subsea cables shall be provided.

31.5. The Licensee shall provide details of the final “as-laid location” of the cable to the UK Hydrographic Office for inclusion on all appropriate Nautical/Marine charts.

31.6. During the course of the nearshore/landfall cable lay operations the Licensee shall ensure that existing public access arrangements are maintained, where possible, and all necessary precautions are put in place to protect the public in accordance with relevant Health and Safety Legislation.

31.7. On completion of installation and maintenance/repair works the Licensee shall ensure that all equipment and materials are removed (except for cable protection deposits) and the foreshore and adjacent seashore is re-instated to its natural condition to the satisfaction of the Licensor.

31.8. The Licensee shall at all times during the continuance of this Licence keep the said cable in a good and proper state of repair and condition and also ensure that it will not be injurious to navigation, the adjacent lands or the public interest.

31.9. The Licensee shall ensure that the target burial depth for the length of the nearshore (beach shallow and intertidal zones to LWM) foreshore shall be in accordance with those set out for HDD operations, while the Licensee shall employ best endeavours with the techniques and equipment specified in the application to achieve the target depth for offshore burial set out in the application documentation.

31.10. The Licensee shall strictly adhere to the 2014 “Guidance to Manage the Risk to Marine Mammals from Man-made Sound Sources in Irish Waters” including the employment of a qualified Marine Mammal Observer as appropriate. In addition the Licensee shall ensure that:

- (a) A derogation license from NPWS must be in place if an Acoustic Deterrent Device (ADD) is to be used
- (b) Unexploded Ordnance (UXO) detonation(s) if required, shall only occur during daylight hours and at times of good visibility
- (c) Passive Acoustic Monitoring shall be used in conjunction with Marine Mammal Observers and not as the sole or primary monitoring approach.
- (d) If any UXO detonation(s) is required, IFIs local named Environmental Officer shall be made aware at least one month in advance.

31.11. A detailed Construction Environmental Management Plan (CEMP), to include waste management measures, shall be submitted by the Licensee to DHLGH in advance of works commencing.

31.12. All material/debris collected as a result of the proposed pre-lay grapnel run shall be disposed of on-shore to an appropriately authorised waste management facility in accordance with the appropriate waste legislation.

31.13. The Licensee shall ensure that all the mitigation outlined in the documents, including the updated Schedule of Mitigation in Greenlink Information to Inform 2nd Public Consultation of the 23rd March 2021 submitted by the applicant, which amends and updates mitigation measures set out in Section 17 Volume 2 of the EIAR, shall be implemented in full.

31.14. No works associated with the River Campile HDD crossing shall be undertaken during the months of October to March inclusive. No works associated with the HDD and beach works at Baginbun for the submarine cable shall be undertaken during the months of July and August. No UXO detonations shall be undertaken, between KP145 and KP159.27, during the months of April and May.

31.15. The HDD exit point shall be located below the 10m contour with no deposit of external cable protection on the foreshore including the HDD exit point.

31.16. The Licensee shall consult with Wexford County Council's Transportation Section and reach agreement on delivery schedules of any adverse loads.

31.17. The Licensee shall report any sightings of Eelgrass *Zostera* to the NPWS Scientific Unit.

31.18. The installed HVDC cables shall have a nominal capacity of 500 megawatts (MW) and operate at a voltage of 320kV.

31.19. The Licensee shall ensure all appropriate measures are taken for the duration of the marine works to ensure the safety of navigation is maintained. Any hazard to safe navigation shall be easily identifiable to all mariners operating within or in the vicinity of the license area. All cable lay, cable ship, cable maintenance and any other vessels to be used in connection with the proposed cable installation shall have appropriate certification from the Marine Survey Office.

31.20. The Licensee shall, through consultation and agreement with the Department of Transport, Marine Survey Office and Commissioners of Irish Lights, arrange for the publication of a Marine Notice through the Maritime Safety Policy Division. Navtext and radio broadcast warnings frequency to be agreed in advance with the Irish Coast Guard.

31.21. The Licensee shall notify the Licensor at least 14 days in advance of the commencement of any works on the foreshore. This notification shall include an up to date Programme of Works for the completion of the project.

31.22. For any potential future maintenance and repair works, The Licensor must be notified with a notice to mariners issued and fishing interests and relevant local organisations contacted.

31.23. The Licensee shall appoint a Fisheries Liaison Officer who will consult with the SFPA, relevant fishermen's groups, BIM and charter boat skippers in order that appropriate actions can be taken to avoid or minimise any interactions with ongoing fishing/angling activities in the area during the course of the cable installation operations on the foreshore.

31.24. The Licensee shall adhere to mandatory water quality environmental control measures for vessels (including shipboard oil emergency plans, discharge of ballast water etc.) under MARPOL Convention and the Sea Pollution Act requirements. The Licensee shall ensure that appropriate methods of operation are adopted in order to ensure that no spillages of fuel, hydrocarbons, cement, contaminants or other hazardous substance occur to the foreshore or surface waters during the works. In the unlikely event of a spill occurring all relevant statutory bodies, including BIM and SFPA (Dunmore East Office), shall be notified as soon as possible.

31.25. The Licensee shall ensure that an Archaeological Exclusion Zones (AEZs) of 50m will be applied to cover the locations with archaeological potential as outlined in the EIAR, Technical Appendix F, Table 4. If the 50m AEZ at CA-2007, CA-2008 and CA-2009 cannot be avoided by the proposed installation works, these anomalies will be investigated through archaeological dive inspection to confirm or otherwise the archaeological potential. Based on the results of the dive inspection, the Underwater Archaeology Unit will be notified and further recommendations may be forthcoming. When cable positions are finalised, they too will adhere to the 50m AEZs. Charts showing the location of all AEZs should be forwarded to the National Service one week prior to the cable laying works commencing. The Licensee shall inform Underwater Archaeology Unit in the event that route changes impinge on any of these AEZs.

31.26. In order to ensure the preservation of potential archaeological sites, wrecks and features the Licensee is required to engage the services of a suitability qualified underwater archaeologist to monitor all disturbance works associated (both on the foreshore and on board the cable laying vessels) with the development including pre-lay grapnel run operations, cable burial operations and post lay inspection and burial works. The archaeological monitoring shall be licensed, and obtained 2 weeks in advance of any works taking place, under the national Monuments Acts 1930-2004.

31.27. A detailed method statement shall accompany the licence application for archaeological monitoring and shall include details on the proposed works, duration of works, archaeological monitoring team proposed and a find's retrieval strategy.

31.28. Should archaeological material be found during the course of monitoring, the archaeologist shall have the work in that area suspended, pending a decision as to how best to resolve the archaeology. The Licensee shall be prepared to be advised by the Underwater Archaeology Unit (UAU) within the Department of Housing Local Government and Heritage with regard to any necessary action (e.g. avoidance, preservation in situ or excavation). The Licensee shall facilitate the archaeologist in recording any material found.

31.29. An archaeological dive team should be put on standby during the cable laying operations in the event that archaeological material is discovered during these works. A dive/survey licence as issued by the Minister for Housing Local Government and Heritage should be obtained by the archaeological dive team leader 3 weeks in advance of the works proceeding.

31.30. The Underwater Archaeology Unit within The Department of Housing Local Government and Heritage shall be furnished with a report describing the results of the monitoring and diving.

31.31. The Licensee shall ensure that contractors, and their subcontractors, are made aware of all conditions and project specific requirements and they are required to have briefings on these to ensure all parties are fully aware of these requirements.
