Re: in Galway Bay (Applicant: DeepSea Fibre Networks Ltd.)

A Chara,

I object to the granting of the Foreshore Licence application FS006838 in Galway Bay. It is my submission that it would not be possible to grant consent for this application that would comply with various national and/or international legal judgements, including:

Case C-258/11, Peter Sweetman and Others v An Bord Pleanála
Case C-164/17, Edel Grace and Peter Sweetman v An Bord Pleanála
Case C-461/17 Brian Holohan and Others v An Bord Pleanála

Please acknowledge submission receipt.

Le meas,
