Child Safeguarding Statement

1 Introduction

This Child Safeguarding Statement is prepared in accordance with the Children First Act 2015, and the Children First: National Guidance. It sets out the principles and procedures to be observed to ensure, as far as possible that a child, availing of the Department's relevant services, is safe from harm.

The Department of Finance does not provide services directly to children but it may employ staff who are under the age of 18. In addition the Department supports the development of the potential of children and young people and may facilitate the placement of Transition Year students for short unpaid periods of work experience within the Department. These Transition Year students are usually under 18 years of age. The Department is committed to safeguarding all those under 18 years old working or training in the Department, in line with Children First legislation and best practice.

Where a Transition Year student is supported by the Department through work experience, the Transition Year student is assigned to a unit or units and is the responsibility of the manager of the unit or a delegated manager for the duration of the placement.

- a) To keep the child safe from harm¹ while receiving the service [i.e. on the placement];
- b) To assess the risks; and
- c) To address those risks, as required by the Act, in the Department's Child Safeguarding Statement.

The nature of Transition Year student work placement and in particular, the aim to provide the broadest working experience to the Transition Year student mean that these students may

They will act as a point of contact for reporting child protection concerns and will liaise with outside agencies, as required.

The Designated Liaison Person (DLP) and Deputy Designated Liaison Person (Deputy DLP) are appointed by the Secretary General.

8 Employees under the age of 18 years

The employment of staff does not fall within the definition of the provision of relevant services to children as set out in Schedule 1 of the Children First Act 2015.

However, in the case of staff who may be under the age of 18, the Department is committed to best practice in relation to child safeguarding.

The risks to underage staff are considered to be identical to those applying to Transition Year students, as set out in paragraph (5) above, and in that context, the mitigations set out at paragraph (6) and the procedures set out at paragraph 7 will be adapted as appropriate to be applied to staff under the age of 18.

In the case of (5), (6) and (7) above, the reporting of any concerns will be made in accordance with the Department's Children First Reporting Protocol. This provides a framework for reporting to the OLP or Deputy OLP of any incidents/reports that arise.

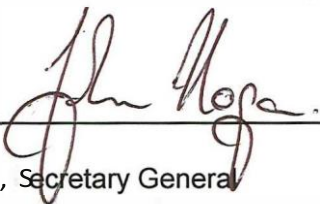

9 Implementation

The implementation of this policy is primarily the responsibility of the Designated and Deputy Designated Liaison Persons, along with the Officer responsible for overall Children First Implementation.

However, it is also the responsibility of all Department staff, particularly those who are providing relevant services to children.
