AIE 3/1/2019	27-Feb-19	Other	I would be grateful it could be possible for the Office of Public Works to outline how long Kilcash Castle in County Tipperary has been closed, how much works are costing and when it is due to reopen? I would also be grateful if the OPW could also indicate what other National Monuments under its care are in a similar situation - and also if it is possible to indicate the duration of closure, anticipated costs and opening dates of same.
