

Terms of Reference – Public Sector High-Level Implementation Committee

The Public Service High Level Implementation Committee (HLIC) will, in consultation with the IFS Industry Advisory Committee:

- ensure a coordinated and strategic approach in growing and developing Ireland's international financial services sector with a particular focus on job creation, the operating environment, technology and innovation, talent, communications and promotion, regionalisation, diversity, and sustainable finance;
- provide strategic leadership to ensure coordinated, timely and effective implementation of Ireland's international financial services strategy, *Ireland for Finance*;
- identify appropriate resolution pathways for barriers and constraints in implementation of the *Ireland for Finance* strategy, or in developing the industry more generally;
- review and report annually to Government on progress in implementing the *Ireland for Finance* strategy through the monitoring structure;
- identify appropriate actions to be taken to facilitate the growth and development of the sector and ensure these are included in the annual action plans;
- ensure synergies with other relevant existing and future Government Strategies and Action Plans.

The Department of Finance will consult directly with public sector bodies, industry representative bodies and other stakeholders in relation to proposing measures for annual action plans.
