Invitation to participate in NUI Galway project

Invitation to Participate in Consultation about Language, Terminology and Representation in Ireland's "Mother and baby Homes", "County Homes" and Related Institutions

The Department of Children, Equality, Disability, Integration and Youth has sponsored this NUI Galway project, through the Irish Research Council.

Contact details and further material in relation to the project are attached for your information.

The project is tasked with examining and highlighting stigmatising language and terminology encountered by survivors and former residents of the Mother and Baby and County Homes, and related institutions.

As a core part of the project, NUI Galway is holding public consultations, and invite those who wish to take part to **contact them directly** to make arrangements to contribute to the research.

This project is one of the initiatives within the programme of education and research in Government's Action Plan for Survivors and Former Residents of Mother and Baby and County Home Institutions.
