

Public Consultation Questionnaire: Draft Statutory Adaptation Plan for the Transport Sector

Please see note in relation to data protection and privacy at the end of this document.

Question 1: What category of stakeholder do you represent?

Responses may include transport infrastructure owners or operators; state or commercial transport service providers; local authorities; environmental groups; and transport system users, amongst others.

Question 2: What are your views on the proposals and actions in the Statutory Adaptation Plan?

Please give your views on what actions may be the most or the least impactful for the sector; and why.

Question 3: Increasing state investment in climate change adaptation will increase costs to the Exchequer. What, in your opinion, is an appropriate balance between climate adaptation and benefits for the society that pays for them?

Question 4: Are there actions or measures not referenced in this plan which you feel would be beneficial to consider?

Responses should indicate potential actions or measures with justification for their consideration.

Evidence for the efficacy of proposed measures or further information, such as the associated costs for implementation, may be provided to support your response.

Additional Comments

If you would like to add additional comments as part of your submission, please use the text box below:

Data Protection and Privacy Notice for Respondents to Public Consultation

Responses to this consultation are subject to the provisions of the *Freedom of Information Act 2014* (FOI) and *Access to Information on the Environment Regulations 2007-2014* (AIE). Confidential or commercially sensitive information should be clearly identified in your submission; however, parties should also note that any or all responses to the consultation are subject in their entirety to the provisions of the FOI Acts and are likely to be published on the website of the Department of Transport, Tourism and Sport. If you consider that any part of your submission would be subject to any of the statutory exclusions under that Act please so indicate in your submission, specifying under which exemption you believe the content should be excluded.

Respondents should be advised that by responding to the public consultation, they consent to their name being published online with their submission. The Department will redact personal addresses and personal email addresses prior to publication. We would draw attention to the Department's privacy notice and data protection policy:

The Department [of Transport, Tourism and Sport] processes personal data for purposes associated with the administrative functions of the Department and to fulfil legal obligations. The Department only retains personal data for as long as it is necessary to perform our role in relation to the purposes for which the personal data was originally obtained and/or to comply with our obligations under applicable law. The Department has developed a Personal Data Retention and Disposal Policy that outlines the period of time for which all personal data stored and processed within the Department is retained. The Department may disclose your personal data to other organisations in certain circumstances, where lawful. Where your data is transferred outside the Department we take steps to ensure adequate protections are in place to ensure the security of your information.

Full details can be found in the Data Privacy Notice, which is available on www.dttas.ie or in hard copy upon request.
