

Department Name	Department of Health
<p>Please provide a short overview below about</p> <ul style="list-style-type: none"> a) the work and activities of the Site, b) whether a REAP was completed previously for this site c) the site locations that are completing a REAP for this new reporting period. 	

The Department of Health mission is to improve the health and wellbeing of people in Ireland by delivering high quality health services and getting best value from health system resources. The Department of Health is made up of twelve divisions:

Acute Care Division

Chief Nursing Officer's (CNO's) and Professional Regulation Division

Corporate Division

Corporate Legislation, Mental Health, Drugs Policy and Food Safety Division

Governance and Performance Division

Office of the Chief Medical Officer

Policy and Strategy Division

Primary Care Division

Research and Development and Health Analytics Division

Resources Division

Sláintecare Programme Office

Social Care Division

The Department oversees 19 different agencies, including:

Dental Council

Food Safety Authority of Ireland

Health and Social Care Professionals Council (CORU)

Health Information and Quality Authority

Health Insurance Authority

Health Products Regulatory Authority

Health Research Board

Health Service Executive (HSE)

Irish Blood Transfusion Service

Medical Council

Mental Health Commission

National Cancer Registry Ireland

National Paediatric Hospital Development Board

National Treatment Purchase Fund

Nursing and Midwifery Board of Ireland

Pharmaceutical Society of Ireland

Pre-Hospital Emergency Care Council

Safefood

Voluntary Health Insurance Board

The Department employed just over 500 full time equivalent staff in 2019 and now has close to 700. The Department completed its first REAP for the year 2019. A green team has been established since 2020, with endorsement from management.

Members represent the main divisions within the department, along with representatives from each floor including several different Units, as well as from the onsite contract facilities company OCS. The REAP for this reporting period focuses on the Department HQ building, located in the shared building Block 1 Miesian Plaza Baggot Street, Dublin 2.

Energy Actions

Action No.	Energy topic area	Action	Start	End (actual/expected)	Status	Site name or address	Report on progress of actions (completed or ongoing) i.e. what has been achieved/what has been the impact (e.g. incl. quantities saved, etc.)
Example	Electricity	Installation of motion sensor in all external lights	Jan-2019	Jun-2019	Completed	Site address (X, Y, Z Co. Dublin)	Reduced electricity consumption on site by X%
1	Energy Management	Move into Miesian Plaza	Jun-2018	Jul-2018	Completed	Miesian Plaza Baggot Street Dublin 2	We moved into a LEED Platinum Level 4 building.
2	Energy Awareness	Cycle to work scheme	Jun-2018	Jun-2019	Completed	Miesian Plaza Baggot Street Dublin 2	As part of our move we had 146 indoor bicycle racks installed in secure Bike Hall with lockers, a drying room and shower facilities.
3	Transport	Leap Card incentive	Jun-2018	Jun-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Encouraged staff to join Leap card and use the public transport options available to them.
4	Transport	Reduce carpark space	Jun-2018	Jul-2018	Completed	Miesian Plaza Baggot Street Dublin 2	In Hawkins house we had 96 spaces, on our move to MP we reduced our spaces to 45.
5	Energy Management	Joined Optimising Power @ Work	Jul-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	We joined OP@W to encourage behavioural change with regard to energy usage, with the overall aim of identifying and eliminating energy wastage.
6	Energy Management	Green Team training	Nov-2019	Feb-2020	Completed	Miesian Plaza Baggot Street Dublin 2	Staff have been trained with GreenTeams.ie
7	Energy Management	Green Ambassadors	Nov-2019	Dec-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Staff volunteered to join the Green team, staff voted for an ambassador for each team.
8	Energy Awareness	Eco Fair	Dec-2019		Abandoned	Miesian Plaza Baggot Street Dublin 2	The event was cancelled due to the unavailability of the townhall.
9	Energy Management	Green teams per floor	Dec-2019	Dec-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Staff volunteered to join the Green team, a team was assigned per floor.
10	Energy Awareness	Removal of personal heaters and fans	Jun-2018	Jul-2018	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to MP all personal fans and heaters were removed.
11	Electricity	Automated power lights in areas of less foot fall	Jun-2018	Jul-2018	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to MP lighting throughout the building was fitted with motion sensors.
12	Electricity	Lux reading blinds	Jun-2018	Jul-2018	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to MP the building was fitted with light and heat reactive blinds. They react to direct sunlight.
13	Electricity	LED lights installed	Jun-2018	Jul-2018	Completed	Miesian Plaza Baggot Street Dublin 2	MP fitted with LED lights throughout all areas.
14	Energy Management	Optimising Power @Work - continued	Jul-2019		Underway/Ongoing	Miesian Plaza Baggot Street Dublin 2	We continue to work with OP@W to encourage behavioural change with regard to energy usage, with the overall aim of identifying and eliminating energy wastage.

Energy Actions

Action No.	Energy topic area	Action	Start	End (actual/expected)	Status	Site name or address	Report on progress of actions (completed or ongoing) i.e. what has been achieved/what has been the impact (e.g. incl. quantities saved, etc.)
15	Energy Management	SEAI Training	Feb-2019		Underway/Ongoing	Miesian Plaza Baggot Street Dublin 2	We joined SEAI to help achieve Ireland's goal for energy to be sustainable, secure, affordable, and clean. To achieve this, Ireland must use less energy, move to clean energy, and innovate to create new solutions to meet our energy needs.
16	Energy Awareness	Unplugged - Christmas 2020	Dec-2020	Dec-2020	Completed	Miesian Plaza Baggot Street Dublin 2	The event was to educate staff and also ensure for safety by unplugging chargers etc.
17	Energy Management	Green Team training	Apr-2021		Planned	Miesian Plaza Baggot Street Dublin 2	Further staff are due to be trained with GreenTeams.ie
18	Energy Management	CHP Flue failed causing the CHP to be locked out.	Mar-2020	Sep-2021	Completed	Miesian Plaza Baggot Street Dublin 2	Due to the Flue failure in March 2020 our CHP has been locked out and inoperable as per the landlords instructions. We are awaiting a report from the landlord on the implications of the CHP being locked out. - Report received and the Flue is back in operation
19	Thermal	Blind controls restricted	Nov-2021		Planned	Miesian Plaza Baggot Street Dublin 2	In Miesian Plaza our blinds are automated and work in conjunction with our heating system. We plan to audit the energy usage before and after restricting staff from operating the blinds. When the controls are disturbed it can change how the building heats and cools.
20	Energy Awareness	Unplugged - Christmas 2021	Dec-2021	Dec-2021	Completed	Miesian Plaza Baggot Street Dublin 2	The event was to educate staff and also ensure for safety by unplugging chargers etc.
21	Thermal	Temperature Drop 2021	Jan-2021	Dec-2021	Completed	Miesian Plaza Baggot Street Dublin 2	The temp throughout the building was set generally to 23 degrees, though some areas were set at 25 degrees. Throughout the year the over all building temp was dropped to 22 degrees.
22	Thermal	Temperature Drop 2022	Jan-2022		Underway/Ongoing	Miesian Plaza Baggot Street Dublin 2	The temp throughout the building was set to 22 degrees. Throughout the year the over all temp is planed to drop to 21 degrees.

Water Actions

Action No.	Water topic area	Action	Start	End (actual/expected)	Status	Site name or address	Report on progress of actions (completed or ongoing) i.e. what has been achieved/what has been the impact (e.g. incl. quantities saved, etc.)
Example	Water Tracking	Implement smart water meter	Jan-2019	Jun-2019	Completed	Site Address (X, Y, Z Co. Cork)	Automated and remote water consumption reading
1	Water Conservation	Rain water tank	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to MP a RWH system was put in place, this tank feeds our toilets and urinals throughout the building.
2	Water Conservation	Low water flower beds	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	The flower beds outside the building have been planted with low water flowers and also placed so they will receive optimum watering when it rained.
3	Water Conservation	Tap aerators installed	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	All taps throughout the building have been fitted with aerators.
4	Water Conservation	low flow rainfall shower heads	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	All showers fitted with low flow rainfall shower heads to use less water per minute.
5	Water Conservation	Rain water feeds all toilets and urinals	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to MP a RWH system was put in place, this tank feeds our toilets and urinals throughout the building.
6	Water Conservation	Toilets and urinals installed with low flow flush	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	All toilets fitted with flow flush volume.
7	Water Conservation	All taps with sensors	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	All taps fitted with sensors to help with water conservation.
8	Water Conservation	All flush mechanisms fitted with sensors	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	All Flush mechanisms fitted with sensors and programmed with low flush volume.
9	Other Area	Grease traps fitted to all sinks in kitchen and canteen	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	Grease traps fitted throughout the kitchen to prevent grease contaminating the grey water.
10	Sustainable Water	Dry mops	Oct-20	Feb-21	Completed	Miesian Plaza Baggot Street Dublin 2	Our cleaning operatives are all using dry mops to reduce on water usage.
11	Sustainable Water	Water coolers use reused bottles	Oct-20	Mar-21	Completed	Miesian Plaza Baggot Street Dublin 2	When changing providers we stipulated that all bottles are to be collected and refused.
12	Water Tracking	Water stewards appointed	May-21		Underway/O	Miesian Plaza Baggot Street Dublin 2	Staff are to be trained on how to lower water consumption and reduce operating costs while protecting the environment.
13	Sustainable Water	Miesian Plaza's water consumption is monitored by the Management company of all three buildings.	Feb-20	Feb-21	Completed	Miesian Plaza Baggot Street Dublin 2	Due to a change of management companies we have been unable to retrieve an accurate water consumption for 2019 and 2020. We have been able to pull a total consumption for the entire building since our BMS was put in place. And have entered an average for the year. As of 2021 we now have high reports of water usage issued monthly.
14	Water Conservation	Tank storage reduced 2021	Jan-21	Dec-21	Completed	Miesian Plaza Baggot Street Dublin 2	Taking into consideration the lowered number of staff onsite to conserve waster usage/waste we reduced our tanks to half capacity.

Waste Actions

Action No.	Waste topic area	Action	Start	End (actual/expected)	Status	Site name or address	Report on progress of actions (completed or ongoing) i.e. what has been achieved/what has been the impact (e.g. incl. quantities saved, etc.)
Example	Single Use / Single Use Plastics	Eliminate single-use coffee cups	Nov-2018	Mar-2019	Completed	Department HQ (X, Y, Z Co. Dublin)	Save the purchase of 1000 coffee cups annually
1	Single Use / Single Use Plastics	Eliminate single-use coffee cups	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	We eliminated single use coffee cups throughout the building and encourage the canteen company to use biodegradable cups. Staff are also encouraged to use their reusable cups.
2	Single Use / Single Use Plastics	Eliminate single-use water cups	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Water bottles have been issued to and single use cups no longer supplied.
3	Single Use / Single Use Plastics	Eliminate Plastic cutlery	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Single use cutlery is no longer supplied.
4	Waste Management/Other	Eliminate individual desk bins	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to Miesian Plaza we removed all bins from desks. This has saved over 500 bin bags a day.
5	Paper Use & Printing	Eliminate individual printers	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to Miesian Plaza we removed all individual printers. This has reduced the amount of printers onsite from excess of 300 to 18. In 2017, the average cost of print consumables per month was €17,000. we now have an average spend of €8000, the savings made are a considerable amount.
6	Food Waste	Introduced Colour coded bins	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Colour coded bins are in place building wide, With one for Landfill Waste, Recycling, Compostable, Glass and PPE. This has reduced cross contamination leading to higher amounts of recycling.
7	Paper Use & Printing	Introduced localised collection points for recycling	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Localised collection points for recycling are in place building wide, with one for Landfill Printing, Recycling, Compostable, Glass and PPE. This has reduced cross contamination in our bins, leading to higher amounts of recycling.
8	Hazardous Waste	Introduced localised collection points for batteries	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	We have two print rooms per floor, in this room we have a collection point for batteries.
9	Paper Use & Printing	Introduced localised collection points for shredding	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	We have two print rooms per floor, in this room we have a collection point for secure shredding, shredding machines and a used paper collection point.
10	Food Waste	Encourage catering company to reduce food waste	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	The catering company is encouraged to reduce food waste by using smaller portions and updating menu's with reusable meals.
11	Prepare for reuse	All staff issued with Reusable cups 2018	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Staff were issued with Reusable cups 2018 on the move to Miesian Plaza. To encourage a reduce, reuse, recycle ethos.
12	Waste Management/Other	All staff issued with Reusable water bottles 2018	Jun-2018	Jul-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Staff were issued with Reusable bottles 2018 on the move to Miesian Plaza. To encourage a reduce, reuse, recycle ethos.
13	Waste Management/Other	Clean Desk day 2019	Aug-2019	Sep-2019	Completed	Miesian Plaza Baggot Street Dublin 2	Clean Desk day 2019 is a building wide incentive, to reduce clutter and generate a healthy habit of reusing, reducing and recycling.
14	Prepare for reuse	Clean Desk day 2020	Jan-2020	Feb-2020	Completed	Miesian Plaza Baggot Street Dublin 2	Clean Desk day 2020 is a building wide incentive, to reduce clutter and generate a healthy habit of reusing, reducing and recycling.

Waste Actions

Action No.	Waste topic area	Action	Start	End (actual/ expected)	Status	Site name or address	Report on progress of actions (completed or ongoing) i.e. what has been achieved/what has been the impact (e.g. incl. quantities saved, etc.)
15	Prepare for reuse	Reusable cups with lids issued to all staff 2021	Mar-2021	Dec-2021	Completed	Miesian Plaza Baggot Street Dublin 2	With new Staff joining and staff leaving we decided to issue staff with Reusable cups again. This will encourage a reduce, reuse, recycle ethos.
16	Paper Use & Printing	Contact tracing forms. This is a large part of our current secure shredding waste.	Jul-2020	Aug-2020	Completed	Miesian Plaza Baggot Street Dublin 2	Contact tracing forms were collected from points of entry around the country, processed at Dublin airport then brought to Miesian Plaza for storage and destruction. They were collected 3 times a week in July and August 2020. Once the National Archive issued a certificate of destruction, arrangements were made for the forms to be destroyed. This was effectively a once off- forms have not been brought to DOH for shredding since 26 August and none are expected in future.
17	Waste Management/Other	Created a new Waste Management Policy	Aug-2020	Sep-2021	Completed	Miesian Plaza Baggot Street Dublin 2	A waste management policy was put in place to help advise and educate all occupiers of Miesian Plaza in the best practice for waste disposal.
18	Hazardous Waste	Mobile Phone Disposal - WEEE	Aug-2021		Underway/Ongoing	Miesian Plaza Baggot Street Dublin 2	A collection of broken mobile phones commenced, we plan to recycle where possible but dispose of the batteries correctly
19	Hazardous Waste	Battery Collection	Jul-2021	Jul-2021	Completed	Miesian Plaza Baggot Street Dublin 2	Arranged onsite collection and disposal of used batteries
20	Other Area	WEEE Collection	Apr-2021	Dec-2021	Completed	Miesian Plaza Baggot Street Dublin 2	Alongside our PAT Testing we arranged a WEEE collection for staff onsite and our ICT unit twice in 2021

Other Actions

Action No.	Other actions topic area	Action	Start	End (actual/expected)	Status	Site name or address	Report on progress of actions (completed or ongoing) i.e. what has been achieved/what has been the impact (e.g. incl. quantities saved, etc.)
Example	Green Procurement	Use ecolabel printing paper	Jan-19		Underway/Ongoing	Site Address (X, Y, Z Co. Cork)	Printed using low environmental impact paper
1	Biodiversity	Sedum roof	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	With the move to MP a sedum room was put in place, this covers open area of the roof top of the building. This encourages a bee friendly environment and sedum plants on green roofs can capture airborne pollutants and capture CO2. The temperature moderating effects of green roofs can reduce demand on power plants, and potentially decrease the amount of CO2 and other polluting by-products being released into the air.
2	Biodiversity	Biodiverse flower beds	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	The flower beds outside the building have been planted with biodiverse flowers.
3	Environmental Man	Low water flowers	Jun-18	Jun-19	Completed	Miesian Plaza Baggot Street Dublin 2	The flower beds outside the building have been planted with low water flowers and also placed so they will receive optimum watering when it rained.
4	Environmental Man	Green Procurement Training	Nov-20	Mar-21	Completed	Miesian Plaza Baggot Street Dublin 2	Staff are being trained in Green Public Procurement, this offers public bodies the means to lead sustainable development in their sector, educating suppliers to reduce the environmental impacts across their product and service life cycles; developing the circular economy.
5	Environmental Man	Green Procurement regarding tenders	Nov-20	Dec-21	Completed	Miesian Plaza Baggot Street Dublin 2	Staff are encouraged to keep Green Procurement at the forefront of their plans when undertaking any tenders.
6	Biodiversity	Pollinator Plan	Mar-21		Planned	Miesian Plaza Baggot Street Dublin 2	We will be taking part in the Pollinator Plan 2021-2025
7	Biodiversity	Grow it forward	Mar-21	Sep-21	Completed	Miesian Plaza Baggot Street Dublin 2	Staff awareness campaign has been circulated to take part in the https://giy.ie/campaigns/grow-it-forward/
8	Environmental & Cl	Earth Day seeds	Mar-21		Planned	Miesian Plaza Baggot Street Dublin 2	Staff to be issued with seeds for Earth day. Along with an information campaign on Biodiversity
9	Environmental Man	Miesian Plaza	Mar-20	Mar-21	Completed	Miesian Plaza Baggot Street Dublin 2	Miesian Plaza is designed in such a way that the building works at the same capacity regardless of how many staff we have on site.
