

## **Consolidated Prescribed Body Observation on Appropriate Assessment**

- **Marine Survey Office**
- **Marine Institute**
- **Environment Protection Agency**
- **Inland Fisheries Ireland**
- **Underwater and Archaeology Unit/National Parks and Wildlife Service**
- **Marine Advisor, Department of Housing, Local Government and Heritage**
- **Department of Agriculture, Food and the Marine**

## **Marine Survey Office**

After careful consideration the Marine Survey Office has no objection to the proposed works in the application referenced in the subject line from a navigational safety perspective. However the following shall be noted;

- A local Marine Notice shall be published for the information of all local maritime users detailing the proposed dredging campaign and any associated hazards to navigation arising for the duration of the licence period.

*Nautical Surveyor  
Marine Survey Office*

## **Environment Protection Agency**

I refer to your correspondence received 24th November 2021 requesting observations from the Agency on the Appropriate Assessment for dredging and beach nourishment at Magheraroarty, Co. Donegal associated with Foreshore Application FS007084.

A response was submitted to the Department of Housing, Local Government and Heritage by the Agency in relation to the foreshore licence application, and accompanying Natura Impact Statement (NIS), by Donegal County Council for dredging and beach nourishment at Magheraroarty Pier on 26th March 2021 (please see attached). The Agency has no further observations on the Appropriate Assessment this time.

Yours faithfully,  
Environmental Licensing Programme
