22 April 2022

Dear Janusz,

Thank you for your letter dated 1 April 2022 regarding the Commission's observation letter on Ireland's proposed CAP Strategic Plan 2023-2027.

I really value the structured dialogue process and my officials have already been engaging with Commission services on the content of the observation letter.

I fully agree that the approval process must be transparent and I am happy to note that you will be publishing our observation letter along with our reply.

I look forward to engaging with you in the coming months to ensure the timely conclusion of the approval and adoption process.

Yours sincerely
