08/03/2022 V1

Q.1 I am a displaced Ukrainian national seeking refuge in Ireland. What should I do or how do I go about it?

A.1 For general information, please see <https://www.irishimmigration.ie/faqs-for-ukraine-nationals-and-residents-of-ukraine/>

As a Ukrainian arriving in Ireland you have 90 days before you need to regularise your status. Ireland is an EU country and is working with the EU to activate the EU Temporary Protection Directive, an emergency provision designed to respond quickly and humanely to the mass displacement of Ukrainian people.

Once this is finalised, the details will be made available on www.irishimmigration.ie. In the meantime, if you require it, displaced Nationals arriving from Ukraine can be given accommodation by IPAS. You are also free to source your own private accommodation.

Q2. I am a displaced Ukrainian national and I have nowhere to stay in Ireland. Where can I find help?

A.2 If arriving in the airport, please make yourself known to Immigration who will then bring you to the Border Management Unit. The Border Management Unit will liaise on your behalf with IPAS, who in turn will arrange accommodation and transport for you.

If you have already arrived in Ireland, please contact Ukrainetempaccom@equality.gov.ie and someone will assist you.
