BY-LAWS.

No. 10², or Bangor District.

By the Department of Agriculture and Technical Instruction
for Ireland.

The Department of Agriculture and Technical Instruction for Ireland by virtue and in exercise of the powers in them vested under the Agriculture and Technical Instruction (Ireland) Act, 1899, and of every other power enabling them in this behalf, and being of opinion that in the No. 10² or Bangor District the use of drift nets of inordinate length for the capture of Salmon or Trout in the tidal waters is detrimental to the fisheries of the said District, and being also of opinion that the following restrictions are necessary and expedient for the more effectual government, management, protection and improvement of the fisheries of the said District, do make and ordain the following By-Laws:—

1. It is hereby prohibited to use any Drift Net for the capture of Salmon or Trout in Clew Bay and the Inlets thereof inside imaginary straight lines from Mulranny Pier to Inishlyre Light, and thence to the West Point of Rosmoney.

2. It is hereby prohibited to use in Blacksod Bay and the Inlets thereof within a straight line from Blacksod Point to Ridge Point, and also in Achill Sound between said Blacksod Bay and the Bridge over the Sound, any Drift Net for the capture of Salmon or Trout of a greater length than six hundred yards, or any number of Drift Nets joined together in such a way that their total length shall be greater than six hundred yards.

3. It is hereby prohibited in such of the Tidal Waters of the said Bangor District as are not affected by the above By-Laws, to use for the capture of Salmon or Trout any Drift Net of greater length than eight hundred yards, or any number of Drift Nets joined together in such a way that their total length shall be greater than eight hundred yards.

Each and every person offending against any of the above By-Laws shall, for each offence, forfeit and pay a sum not exceeding FIVE POUNDS; and all Nets used contrary thereto shall be forfeited.

In witness whereof the Department of Agriculture and Technical Instruction for Ireland have hereunto set their official seal this Twenty-second day of January, One Thousand Nine Hundred and Nine.
