

Revised by
Bye-Laws No 522
of 1975

No. 330

DEPARTMENT OF AGRICULTURE AND TECHNICAL INSTRUCTION
FOR IRELAND.

FISHERIES.

62 & 63 Vic., c. 50; 32 & 33 Vic., c. 92; and the Acts incorporated therewith.

BY-LAWS.

No. 13, OR BALLYSHANNON DISTRICT.

By the Department of Agriculture and Technical Instruction for Ireland.

WHEREAS by the By-Laws dated 3rd October, 1912 (1) It is prohibited to use for the capture of Salmon or Trout in the Tidal Waters of that part of the No. 13, or Ballyshannon District, which lies North and West of an imaginary straight line running due South-West from St. John's Point (Co. Donegal), any Drift Net of greater length than 1,500 yards, or any number of Drift Nets joined together in such a way that their total length shall be greater than 1,500 yards; (2) It is prohibited to use for the capture of Salmon or Trout in the remaining Tidal Waters of the said No. 13, or Ballyshannon District, any Drift Net of greater length than 800 yards, or any number of Drift Nets joined together in such a way that their total length shall be greater than 800 yards,

AND WHEREAS the Department of Agriculture and Technical Instruction for Ireland are of opinion that the practice of keeping on board boats in the said Tidal Waters of the said District of Drift Nets of a greater length than may be legally used in the said Tidal Waters is detrimental to the fisheries of the said District and are also of opinion that the following restrictions are necessary and expedient for the more effectual government, management, protection and improvement of the fisheries of the said District.

NOW the Department of Agriculture and Technical Instruction for Ireland by virtue and in exercise of the powers in them vested under the Agriculture and Technical Instruction (Ireland) Act, 1899, and of every other power enabling them in this behalf, do make and ordain the following By-Laws:—

1. It is hereby prohibited to have on board any boat, cot, or curragh in the Tidal Waters of that part of the said No. 13, or Ballyshannon District, which lies North and West of an imaginary straight line running due South-West from St. John's Point (Co. Donegal), any Drift Net of greater length than 1,500 yards, or any number of Drift Nets which if joined together would in their total length be greater than 1,500 yards, for the capture of Salmon or Trout.

2. It is hereby prohibited to have on board any boat, cot or curragh in the remaining Tidal Waters of the said No. 13, or Ballyshannon District, any Drift Net of greater length than 800 yards, or any number of Drift Nets which if joined together would in their total length be greater than 800 yards, for the capture of Salmon or Trout.

Each and every person offending against either of the foregoing By-Laws shall, for each offence, forfeit and pay a sum not exceeding FIVE POUNDS.

L. S.

In witness whereof the Department of Agriculture and Technical Instruction for Ireland have hereunto set their official seal this 18th day of September, One Thousand Nine Hundred and Thirteen.

R. CANTRELL,

On behalf of the Secretary.

By the LORD LIEUTENANT and PRIVY COUNCIL IN IRELAND.

ORDERED,—That the said By-Laws be, and the same are hereby, approved.

Given at the Council Chamber, Dublin Castle,
the 10th day of June, 1911.
