IV - HEALTH CERTIFICATION

I, the undersigned official veterinarian, hereby certify that the beef was derived from cattle that:

1. were born and raised in Ireland;
2. were not found to be suspect or confirmed BSE cases, and are not suspect or confirmed progeny or cohorts of BSE cases, as described in the Terrestrial Animal Health Code adopted by the World Organization for Animal Health (WOAH);
3. were slaughtered in Ireland using methods, which did not include a stunning process with a device injecting compressed air or gas into the cranial cavity, or a pithing process, and were subject to official ante-mortem and post-mortem inspection;
4. the meat was derived from animals which were slaughtered, processed, packed and stored under sanitary conditions under official veterinary supervision in the above-mentioned establishment(s) approved for export to the Philippines;
5. specified risk materials (the skull excluding the mandible and including the brain and eyes, and the spinal cord of animals aged over 12 months) have been systematically removed from products without contamination of the meat.
