

Typical Detail of Proposed Quay Wall Remedial Works
Scale: 1:25

- Notes:**
- All levels shown in metres above Ordnance Datum Malin.
 - Refer to drawing series 1000 for details of proposed surface finishes.
 - Refer to drawing series 5000 for details of proposed railings.
 - Proposed layout subject to detailed design.
 - All outfalls to be fitted with flap valves
 - Existing Quay Wall fenders omitted for clarity
 - The existing timber fender piles are generally in very poor condition, with many in states of partial collapse. The condition of the fenders will be further assessed during the detailed design stage, and any elements which are deemed to pose an unacceptable risk to construction stage health and safety will be removed by the contractor.
