Dear John

Following the teleconference of the COVID-19 National Public Health Emergency Team (NPHE) today, I wish to bring to your attention, as Chair of the HSE NCMT, the followed actions, required of HPSC, as agreed by NPHE:

***HPSC to develop national guidance on the matter of Healthcare Workers who are contacts of a confirmed case, in line with the advice of the Expert Advisory Group to date and further advice they will issue in the coming days.***

This will be discussed at the NPHE meeting this coming Tuesday, 10th March 2020, and update will be required at the meeting.

I thank you for your ongoing support and contributions to the COVID-19 National Public Health Emergency response.

Yours sincerely

Dr Tony Holohan  
Chief Medical Officer
