EXPLANATORY NOTE

(This note is not part of the instrument and does not purport to be a legal interpretation)

This Notice prohibits fishing for northern albacore tuna by Irish sea-fishing boats that have been authorised to fish by means of “Pair – Pelagic” fishing gear with effect from 12.30 hours on 14 August 2022 but allows retention on board and landing of northern albacore tuna before 23:59 hours on 14 August 2022. However, the fishery remains open for vessels that have been authorised to fish for northern albacore tuna where the authorisation does not permit the vessel to fish by means of “Pair – Pelagic” fishing gear.
