1. Welcome and Introduction

The Chair informally opened the meeting and welcomed representatives from the Department of Social Protection who attended the meeting for agenda item 2.

2. Presentation from the Department of Social Protection on the Auto Enrolment retirement savings system

The Commission received a presentation on the Auto Enrolment system following which there was an opportunity for the Members to pose questions to the presenters about the new system in the context of the Commission's work.

3. Minutes of previous meeting

The minutes of meeting 21 were approved without amendment.

4. Draft Chapters of Commission Report

Three draft report chapters entitled *Taxation of Land and Property*, *Moving to a Low Carbon Economy*, and *Promotion of Good Public Health*, which were shared with Members in advance of the meeting, formed the basis of the discussions.

Members discussed the range of issues and proposed recommendations presented in the draft chapters. Members were invited to give any additional feedback by written procedure.

5. Forward planning

The Secretary outlined a proposed timetable of work for the forthcoming weeks, which was discussed by the Commission.

6. AOB
