Minutes

Item	
Introduction by Chairman John Griffin.	The Chair introduced the meeting and the agenda items.

Item	
Membership of the group	The chair advised that Catherine McAloon would not be in a position to contribute to the working group for some time.

Item	
Research Opinion	The chair reported that he had written to various stakeholders and researchers requesting them to submit what they thought were the research priorities for TB research. The chair presented a paper that collated the responses. The group discussed how the research questions would be evaluated within the agreed evaluation framework. Some responses were then evaluated. The

	chair advised that he would continue to tabulate the responses in advance of the next meeting in order to facilitate the group to evaluate each response.
