

COVID-19 Outbreaks/Clusters in Residential Facilities in Ireland Daily update 07/05/2020

Note: Data are provisional and confidential

Summary

This report includes data as of 07/05/2020 11:12 for COVID-19 outbreaks in Residential Facilities and cases linked to these outbreaks notified on CIDR up to and including midnight on 06/05/2020

Total number of COVID-19 outbreaks notified in Residential Facilities

406

This report includes all COVID-19 outbreaks notified in Residential Facilities including Nursing Homes, Community Hospitals/Long Stay Units and Residential Institutions for the time period indicated above. Residential institutions include mental health facilities, prisons and direct provision centres.

COVID-19 Outbreak Definition

For surveillance purposes, the following definition is used for notifying COVID-19 outbreaks/clusters:

A cluster/outbreak of COVID-19 is defined as:

- Two or more cases of illness consistent with COVID-19 infection (as per the COVID-19 case definition) and at least one person is a confirmed case of COVID-19.

OR

- Two or more cases of illness consistent with COVID-19 infection (as per the COVID-19 case definition) and there is a strong suspicion that it is caused by COVID-19

These outbreaks are recorded on Ireland's Computerised Infectious Disease Reporting System (CIDR). The COVID-19 case definition is detailed on the Health Protection Surveillance Centre (HPSC) website:

<https://www.hpsc.ie/a-z/respiratory/coronavirus/novelcoronavirus/casedefinitions/>

Note

Tables 3-14 are based on COVID-19 cases that are linked to outbreaks in all residential facilities (including Nursing Homes, Community Hospitals/Long Stay Units and Residential Institutions) or in Nursing Homes only.

- Tables 3-6 refer to all notified COVID-19 cases linked to outbreaks in these settings
- Tables 7-10 refer to all notified COVID-19 hospitalised cases linked to outbreaks in these settings
- Tables 11-14 refer to all notified COVID-19 cases that died and were linked to outbreaks in these settings
- Tables 15-18 refer to all notified COVID-19 hospitalised cases that died and were linked to outbreaks in these settings

Data are provisional and confidential

Table 1: Number of COVID-19 outbreaks in Residential Facilities including Nursing Homes, Community Hospitals/Long Stay Units and Residential Institutions by CHO, notified in Ireland up to midnight on 06/05/2020
