

The Department receives a significant level of queries regarding its consultancy costs, professional fees, legal fees, and advisory fees. In response, we have decided to publish information on a more regular basis on this website. The schedule below discloses all related expenditure by the Department and the Office of Government Procurement since the Department was established up to end August 2022. It also includes expenditure in respect of the National Shared Services Office up to 1st January 2018, when it was established by law as an independent body under the aegis of the Department.
