

Summer Programme Portal

The Summer Programme Portal is now live on www.educationposts.ie

Note those already registered on the site can simply click on the "Advertise" tab on the site and click the Summer Programme Portal drop down menu to begin registration (see screenshot below).

New users of Educationposts.ie

For Job Seekers not already registered on Educationposts but who are looking to register on the portal, they can create an account by either selecting the [Register as a Job Seeker](#) button on the home page or by selecting [Register](#) in the search bar. You can then follow the steps to create a Job Seekers account.

Create a Notice on the Summer Programme Portal - [Register as a Job Seeker](#) or **Login** to your Job Seeker account. Access Advertise > Summer Programme Portal > Accept the Disclaimer and complete the form.
