

Circular No. 5/2023

31st March 2023

Agri-Climate Rural Environment Scheme (ACRES)
Amendment to 'Environmental Management of Arable Fallow' specification for 2023 only

Dear Advisor

Due to the recent wet weather and poor soil conditions the following amendment has been made to the requirements for the action:

Environmental Management of Arable Fallow for 2023 only.

Spring Requirements – Create a bare fallow field:

- Create a field of bare ground by shallow cultivation on or before 20th April 2023. Maintain a rough, uneven surface in the field.
- From 20th April, the field must be left fallow with no machine operations or grazing until after 1 July.
