Tranche 1 before completing these Records Sheets.

## **Barn Owl Nest Box**

LPIS No.	Number installed in this LPIS	Maintenance carried out (please include description of action and date completed)

## **Brassica Fodder Stubble**

LPIS No.	Method of cultivation and sowing	Date and type of crop sown and rates of seed mix (Please include description of management action(s) completed throughout the year and date completed)

## **Catch Crops**

LPIS No.	Method of cultivation and sowing	Date and type of catch crop sown and rates of seed mix (please include description of management action(s) completed throughout the year and date completed)

## Commonage

LPIS No.	Management of LPIS Parcel during the year including dates of when Ewe Equivalents were grazing the commonage and numbers of Ewe Equivalents put to the commonage

# **Conservation Of Rare Breeds**

Identification number of all breeding females included below	Identification Number of Equine and Ovine offspring produced in 2023.  Not required for Bovines

Animal		Number of animals at end of each month of the calendar year													
type/month	J	F	М	Α	М	J	J	Α	S	0	N	D	Ave.	LU	Total Livestock Unit (LU)
Bovines:			•							•					
Female; 6 months to < 2 years															
Breeding Female > 2 years															
(see footnote)															
Bulls; 6 months to < 2 years															
Bulls > 2 years (see footnote)															
Equines:			•							•			•		
Males and Females															
6 months – 3 years.															
Breeding Females > 3 years															
(see footnote)															
Stallions > 3 years (see															
footnote)															
Ovines:		•	•					•		•					
Females 6 months – 1 year															
Breeding females > 1 year															
Rams > 1 year															
Total LU for pa								ı					_		
(Maximum nu and goat bree									<u>nual</u>	ly foi	the_	<u>cattl</u>	<u>e, she</u>	<u>ep</u>	
The maximum and Irish Drau					t can	be c	laime	ed fo	r ann	ually	for t	the C	Connei	<u>mara</u>	

LU conversion equivalents for the various stock types are as follows:

Bovines under 1 year old	0.40 LU
Bovines 1 but less than 2 years old	0.70 LU
Bovine male, 2 years and over	1.00 LU
Suckler cow and bovine female, 2 years and over	0.80 LU
Equines over 6 months of age	0.80 LU
Sheep/Goats over 6 months of age	0.1 LU

- 1. Breeding female animals must produce registered offspring before the end of the contract; otherwise, there will be full claw back. If more than 8 Breeding Females are to be listed then use a separate sheet and attach to the annual record sheet.
- 2. Males must be entire
- Adult males: Include at max 1 bull per 5 cows: 1 ram per 5 ewes (male ovines < 1 year not eligible): 1 stallion for 5 mares.</li>
   For equines, birthday is 1<sup>st</sup> January.

# **Coppicing Of Hedgerows**

LPIS No.	Date(s) & Length(s) coppiced (shown in metres 'm') & Maintenance thereafter(please include description of maintenance action(s) and date completed)

# **Environmental Management of Arable Fallow**

LPIS No.	Management of LPIS Parcel during the year (please include description of management of action(s) and date completed)

## **Extensively Grazed Pasture**

LPIS No.	Please provide detail of fertilisers (organic or chemical) applied. Please record the kg/ha applied to this LPIS parcel. Where no application was made, "zero" should be entered for the relevant LPIS.	Management of parcel during the year (please include description of action and date completed)

#### **Geese And Swans**

Management of LPIS Parcel during the year (Note, where parcel is in tillage, indicate date of sowing of catch crop/tillage crop) (please include description of management of action(s) and date completed).

# Grass Margins – Arable

LPIS No.	Width of margin – either 3m, 4m, 6m or 8m	Length of Margin (m) in this LPIS	Date of establishment	Maintenance Carried Out (Please include description of action and date completed)

## **Grass Margins - Grassland**

LPIS No.	Width of margin – either 2m, 3m or 6m	Length of Margin (m) in this LPIS	Date of establishment	Maintenance Carried Out (Please include description of action and date completed)

# **Laying Of Hedgerow**

LPIS No.	Date(s) & Length(s) laid (m) & Maintenance thereafter (please include description of maintenance action(s) and date completed)

# **Low Emission Slurry Spreading**

LPIS No(s). where slurry was applied	Spread method*	Volume produced (m³)	Volume imported (m³)	Volume spread using New Technology (m³)

<sup>\*</sup>Spread Method – e.g. Trailing shoe, Band spreading, Injection systems

## **Low Input Grassland**

LPIS No.	Please provide detail of fertilisers (organic or chemical) applied. Please record the kg/ha applied to this LPIS parcel. Where no application was made, "zero" should be entered for the relevant LPIS.	Management of parcel during the year (please include description of action and date completed)

# **Low Input Peat Grassland**

LPIS No.	Please provide detail of fertilisers (organic or chemical) applied. Please record the kg/ha applied to this LPIS parcel. Where no application was made, "zero" should be entered for the relevant LPIS.	Management of parcel during the year (please include description of action and date completed)

# Management of Intensive Grassland Next To A Watercourse

LPIS No.	Management of parcel during the year (please include description of action and date completed)

## Minimum Tillage

LPIS No	Crop Sown	Incorporation method and date of sowing

## **Over Wintered Stubble**

LPIS No.	Management of LPIS Parcel during the year (please include description of management of action(s) and date completed)

# **Planting A Traditional Orchard**

LPIS No.	Date Planted and Species and number planted	Maintenance and Dates(s) carried out (please include description of maintenance action(s) and date completed)

# **Planting New Hedgerow**

LPIS No.	Date, Species, Length Planted (m) and Number Planted	Maintenance and Date(s) Carried Out

# Planting Of Trees in Riparian Buffer Zones

LPIS No.	Date, Species and Number Planted	Maintenance and Date(s) Carried Out

## **Protection And Maintenance of Archaeological Monuments- Arable**

LPIS No.	Number of Monuments in this Parcel	Maintenance and Date(s) carried out (please include description of maintenance action(s) and date completed)

## **Protection And Maintenance of Archaeological Monuments- Grassland**

LPIS No.	Number of Monuments in this Parcel	Maintenance and Date(s) carried out (please include description of maintenance action(s) and date completed

# Riparian Buffer Strip – Arable

	Margin width –	Length of	Maintenance and Date(s) carried out (please include
LPIS No.	3m, 4m, 6m, 8m	Margin (m)	description of maintenance actions(s) and date
			completed)

# Riparian Buffer Strip – Grassland

LPIS No.	Margin width – 1.5m, 3m, 6m	Length of Margin (m)	Maintenance and Date(s) carried out (please include description of maintenance actions(s) and date
			completed)

# Riparian Buffer Zone – Arable

LPIS No.	Zone area (ha)	Minimum width of Zone (m)	Maintenance and Date(s) carried out (please include description of maintenance actions(s) and date completed)

# Riparian Buffer Zone- Grassland

LPIS No.	Zone area (ha)	Minimum width of zone (m)	Maintenance and Date(s) carried out (please include description of maintenance actions(s) and date completed)

## **Ryegrass Seed Set for Birds**

LPIS No.	Length of Margin (m)	Management of parcel during the year (please include description of action and date completed)

## **Traditional Dry Stone Wall Maintenance- Boundary**

LPIS No.	Length (m) maintained, and Maintenance involved (please include description of maintenance action(s) where relevant and date completed)

# **Traditional Dry Stone Wall Maintenance-Internal**

LPIS No.	Length (m) maintained, and Maintenance involved (please include description of maintenance action(s) where relevant and date completed)

# Tree Belts to Capture Ammonia from Farmyards

	Date, Species, and Number	Maintenance and Date(s) Carried Out
LPIS No.	Planted	

## **Tree Planting**

Date, Species, and Number	Maintenance and Date(s) Carried Out
Planted	

## **Unharvested Cereal Headlands**

LPIS No.	Width of margin – either 12m, 21m, 24m or 30m.	Length of Margin (m) in this LPIS	Date of establishment	Maintenance Carried Out (Please include description of action and date completed)

## **Winter Bird Food Plot**

LPIS No.	Please provide detail of fertilisers	Date of Establishment and Crop Species
	(organic or chemical) applied. Please record the kg/ha applied to this LPIS parcel. Where no application was	in Seed Mix (please include description of maintenance action(s) where relevant and date completed)
	made, "zero" should be entered for the relevant LPIS.	

## Winter Bird Food Strip

LPIS No.	Width – either 6m or 8m	Length (m)	fertilisers (organic or chemical) applied. Please record the kg/ha applied to this LPIS parcel. Where no application was made, "zero" should be entered for the	description of

# Non-Productive Investments (NPIs)

LPIS No.	Non-productive investment type	Maintenance and Date(s) Carried Out

## **Landscape Actions (LAs)**

Landscape action type	Maintenance and Date(s) Carried Out
	Landscape action type

## **ACRES DECLARATION 2023**

(Must be signed by all Participant(s))

I/we hereby declare that	: I/we have fulfilled all the undert	akings as set out in my/o	ur ACRES Plan
for the Year ending 31st	December 2023 and that the info	rmation outlined in these	record sheets is
correct.
