Equines availing of the derogating conditions shall travel to and from an Authorised Derogation Establishment.

A closed list of Authorised Derogation Establishments shall be maintained on TRACES NT and are the only establishments that can be inserted into I.13 ‘Place of Destination’ or ‘I.12 Place of Origin’ fields on an equine DOCOM, on TRACES NT.

Equines availing of derogated movements to France shall travel with a Designated Transporter for Derogated Movement and will be the only transporters (Box I.17) that can be entered on equine DOCOMs travelling to France on TRACES NT.

The following ADM activities will be available when the MPA control is introduced for DOCOM’s for equine movements between Ireland and France on Traces NT.
