

NOTICE OF DETERMINATION

In accordance with section 21A of the Foreshore Act 1933, as amended, the Minister of State, Department of Housing, Local Government and Heritage with special responsibility for Planning and Local Government (“the Minister”) hereby gives notice that he has determined an application dated 30th of July 2020 for a licence under Section 3(1) of the Foreshore Act, 1933 (as amended) made by the Electricity Supply Board (“the Applicant”) in respect of laying, operating and maintaining four 2.8km long 400kV Electricity Subsea Cables across the Shannon Estuary between Moneypoint Co. Clare and Kilpaddoge, Co Kerry. Eirgrid is the licensed TSO, responsible for the development of the transmission system.

DETERMINATION

The Minister has determined pursuant to the provisions of the Foreshore Act, 1933 (as amended) to grant a Foreshore Licence to the Applicant in respect of the development described in the application, subject to the conditions set out in the Foreshore Licence.

MAIN REASONS AND CONSIDERATIONS

The Minister has had regard to the following matters in determining the application for a Foreshore Licence:

- the application for a Foreshore Licence together with accompanying documents;
- the EIA Screening Examination of the proposed works;
- the Natura Impact Statement;
- the submissions received from prescribed bodies and the applicant’s responses;
- The Public Consultation undertaken;
- other plans or projects that may, in combination with the plan or project under consideration, adversely affect the integrity of a European Site;
- any supplemental information furnished by the Applicant in relation to the NIS;
- the screening for Appropriate Assessment of the proposed plan or project prepared by Ove Arup & Partners Ireland Ltd (Arup) with Hartley Anderson Limited (Marine Environmental Science and Consultancy) and adopted by the Minister;
- the Screening for Appropriate Assessment Determination signed by the Minister on 10 March 2022;

- the Appropriate Assessment prepared by Ove Arup & Partners Ireland Ltd (Arup) with Hartley Anderson Limited and adopted by the Minister;
- the Appropriate Assessment Determination signed by the Minister on 08 June 2022;
- the Risk Assessment for Annex IV Species of the proposed development prepared by the applicant and agreed and accepted by the Department of Housing, Local Government and Heritage Marine Advisor;
- the nature of the proposal and its purpose;
- the consent conditions to be attached to the Foreshore Licence, if granted;
- the Non-Statutory Environmental Report/Analysis of the proposed developments prepared by Ove Arup & Partners Ireland Ltd (Arup) with Hartley Anderson Limited and confirmed by the Department of Housing, Local Government and Heritage;
- the technical assessment, including the agreement and adoption of the environmental assessment, of the proposed works by the Marine Licence Vetting Committee (“MLVC”), and its conclusions and recommendations in this regard;
- the advice of the Foreshore Section of the Department of Housing, Local Government and Heritage.

Having had regard to the foregoing, and in particular having regard to the consent conditions attached to the Foreshore Licence, the environmental reports adopted by the Minister, and the recommendation of the MLVC, the Minister is satisfied that: (i) the proposed development on the foreshore is not likely to have significant effects on the environment; (ii) the proposed development on the foreshore would not adversely affect the integrity of any European site; and (iii) that it is in the public interest to grant the Foreshore Licence having regard to the nature of the proposal.
