- 2.2.3 any reference to the singular includes reference to the plural.
- 2.3 Any covenant in the Licence by the Licensee not to do any act or thing includes an obligation not to permit or suffer such act or thing to be done and to use best endeavours to prevent such act or thing being done by another person.
- 2.4 References to any right of the Licensor to have access to or entry upon the Licensed Area shall be construed as extending to all persons lawfully authorised by the Licensor including agents, professional advisers, prospective purchasers of any interest of the Licensor in the Licensed Area or in the adjoining property or Foreshore, contractors, workmen and others provided that such persons have given reasonable notice (except in the case of an emergency) and have sufficient reason to require access.
- 2.5 Any reference to a statute (whether specifically named or not) or to any sections or sub-sections therein includes any amendments or re-enactments thereof for the time being in force and all statutory instruments, orders, notices, regulations, directions, bye-laws, certificates, permissions and plans for the time being made, issued or given there-under or deriving validity there-from.
- 2.6 Headings are inserted for convenience only and do not affect the construction or interpretation of this Licence.
- 2.7 Any reference to a clause, sub-clause or schedule means a clause, sub-clause or schedule of this Licence.
- 2.8 If any term or provision in this Licence is held to be illegal or unenforceable in whole or in part, such term shall be deemed not to form part of this Licence but the enforceability of the remainder of this Licence is not affected.
- 2.9 References in this Licence to any rights granted to the Licensee shall be construed as being granted to the Licensee and all persons authorised by the Licensee to exercise such rights.
- 2.10 Rights excepted to the Licensor or reserved to any indemnities to the Licensor are to benefit also any other licensor and if necessary and appropriate the occupiers of the remainder of the Licensed Area, any occupier of adjoining or neighbouring property or Foreshore and any other person authorised by the Licensor or having similar rights.

- 2.11 Any right or privilege conferred on the Licensor under this Licence shall be deemed to be exercisable by the Licensor during the Term.
- 2.12 References to "month" or "months" mean a calendar month or months.
- 2.13 The Term shall extend to and include the term set out herein and if properly determined prior to the expiry of the Term, the Term shall mean the Term up to the date of such determination and expression such as the last year of the Term shall be construed accordingly.

3 GRANT OF LICENCE

- 3.1 The Licensor in exercise of the powers vested in him by section 3(1) of the Foreshore Act, 1933 hereby grants to the Licensee a licence to enter onto, use and occupy the Licensed Area on the terms and conditions set out in this Licence and in particular the Specific Conditions set out in the Second Schedule for the purpose of the Permitted Use.
- 3.2 Unless otherwise permitted by Law and with the written consent of the Licensor, the Licensee shall not use the Licensed Area for any other purpose other than the Permitted Use.
- 3.3 For the avoidance of all doubt, this Licence does not include the right to get and take any minerals within the meaning of section 3 (8) of the Foreshore Act.

4 TERM

- 4.1 This Licence shall commence on the 13th day of June 2023.
- 4.2 Subject to clause 12, this Licence shall remain in force for a period of 35 (Thirty five) years from the Commencement Date.

5 LICENCE FEE

- 5.1 In consideration of the grant of this Licence, the Licensee shall pay to the Licensor the sum of:

- (i) [REDACTED] on the execution of this Licence.

- (ii) €1.00 (one Euro) if demanded, annually on or before each anniversary of the Commencement Date.

6 COMMENCEMENT OF OPERATIONS

- 6.1 The Licensee shall not commence any works associated with the Facilities in the Licensed Area, without the prior written consent of the Licensor.
- 6.2 The Licensor is not obliged to grant consent pursuant to clause 6.1 unless and until the Licensee has obtained and provided to the Licensor in respect of the relevant works, activities or operations copies of all the necessary permits, licences, approvals, consents, registrations, permissions and authorisations.
- 6.3 The Licensee shall notify the Licensor in writing at least 14 (fourteen) days in advance of the commencement of works associated with the Facilities in the Licensed Area.

7 COMPLIANCE WITH APPLICABLE LAWS

- 7.1 The Licensee shall at all times comply with all applicable Law and Environmental Law.
- 7.2 Without prejudice to the generality of clause 7.1, the Licensee shall at all times hold all necessary permits, licences, approvals, consents, permissions, registrations or authorisations associated with any activities of the Licensee in connection with the Licensed Area (to include Plant and equipment utilised therein).

8 SPECIFIC CONDITIONS

- 8.1 Unless the prior written approval of the Licensor is obtained, which approval may be granted subject to conditions, the Licensee shall ensure that:
 - (1) all Facilities are constructed and/or installed in accordance with the Specific Conditions and such Facilities at all times comply with the Specific Conditions which are applicable at the date that such Facilities were constructed and /or installed; and
 - (2) no development, work, construction or installation is undertaken in the Licensed Area that does not comply with the Specific Conditions.
- 8.2 The Specific Conditions may be amended from time to time:
 - 8.2.1 by agreement between the parties;

8.2.2 by the Licensor by notice in writing to the Licensee if the Licensor reasonably considers it necessary to do so for reasons of public safety or protection of the environment.

8.3 If at any stage the Licensee becomes aware that any Facilities or works do not comply with the Specific Conditions that were applicable at the date that such Facilities were constructed and/or installed or such works were performed (whether as a result of notification by the Licensor or other competent authority or otherwise), the Licensee shall immediately:

- (1) notify the Licensor, unless the Licensee was notified by the Licensor;
- (2) unless the Licensor otherwise agrees in writing, take all reasonable steps to ensure that:
 - (a) such Facilities or works comply with the Specific Conditions that were applicable at the date that such Facilities were constructed and/or installed or such works were performed, as the case may be; and
 - (b) any adverse consequence arising out of the fact that the Facilities were not constructed and/or installed in accordance with the Specific Conditions or works were not performed in accordance with the Specific Conditions, as the case may be, are rectified to the satisfaction of the Licensor as soon as is reasonably practicable.

9 OPERATIONS IN CONNECTION WITH THIS LICENCE

9.1 The Licensee may, from time to time, with the prior written consent of the Licensor, occupy and use so much of the adjacent Foreshore as is reasonably required by the Licensee to exercise its rights pursuant to clause 3.1 and shall restore the said Foreshore to its proper condition to the satisfaction of the Licensor after such occupation and use.

9.2 Without prejudice to any other rights and obligations under this Licence, or at Law or Environmental Law, in exercising any of the rights or performing any obligations in connection with this Licence, the Licensee shall:

- (1) not use the Licensed Area or permit the same to be used otherwise than for the Permitted Use and for no other purpose or purposes whatsoever;

- (2) comply with the Specific Conditions described in the Second Schedule hereto at all times;
- (3) ensure that all Facilities, Plant, works or structures in the Licensed Area (if any) are at all times maintained in a good and proper state of repair and condition to the satisfaction of the Licensor, ensuring that they do not constitute a public health hazard or danger to persons, animals, marine life or the Environment, nor be injurious to navigation, the adjacent lands and/or Foreshore or the public interest;
- (4) not Encumber this Licence or any part of the Facilities without the prior written consent of the Licensor;
- (5) at all times maintain appropriate resources to ensure the proper exercise of all rights and the performance of all obligations in connection with this Licence including:
 - (a) ensuring that all necessary competent persons are engaged to carry out any works, activities, or operations pursuant to this Licence;
 - (b) using suitable Plant, machinery and equipment which is in good repair and condition and maintained to proper safety standards;
- (6) use all reasonable endeavours to minimize damage and disturbance to the Environment, fisheries and all other maritime activities and restore any damage which does occur, to the satisfaction of the Licensor;
- (7) not commit or suffer any waste, spoil or destruction on the Foreshore, other than waste, spoil or destruction:
 - (a) which is reasonably necessary as a consequence of the exercise of rights and performance of obligations pursuant to this Licence; and
 - (b) in respect of which the Licensee holds all necessary permits, consents, licences, permissions, authorisations or registrations required by Law or Environmental Law;
- (8) carry out an analysis and monitoring of the Licensed Area and the waters within the immediate vicinity to the satisfaction of the Licensor or to pay to the Licensor

all expenses incurred by the Licensor or a person duly authorised by him, to carry out such analysis and monitoring;

- (9) unless otherwise permitted by Law, not undertake any works, activities or operations, other than navigation, outside the Licensed Area without the prior written consent of the Licensor and, where appropriate, any occupiers of such sea-bed;
 - (10) not, without the prior written consent of the Licensor, carry out any works, activities or operations which, in the reasonable opinion of the Licensor, are injurious to or interfere unreasonably with fishing, navigation, adjacent lands and/or Foreshore, approved scientific research or the public interest;
 - (11) ensure that adequate warning notices, fencing or other appropriate security and safety measures are in place at all works and structures during construction or otherwise and, where necessary, for the duration of this Licence;
 - (12) permit the Licensor and any persons duly authorised by him at any time to remove from the Licensed Area and abate all buildings, works or materials which may have become dilapidated or abandoned or which may have been constructed without the consent required under this Licence or which may in the opinion of the Licensor be injurious to navigation, the adjacent lands and/or Foreshore, or the public interest and to restore the Licensed Area to its former or proper condition and to erect or construct any building or works which in the opinion of the Licensor may be required for the purposes of navigation, the adjacent lands and/or Foreshore or the public interest. The Licensee shall compensate the Licensor for all costs associated with the aforesaid removal or abatement.
- 9.3 Without prejudice to any other remedy under this Licence, at Law or Environmental Law, if the Licensor is of the view that the Licensee is in breach of any obligation pursuant to clause 9.2, the Licensor may, by notice in writing, require that the Licensee rectify such breach within such reasonable time period as is specified by the Licensor.
- 9.4 The Licensee shall comply with any direction of the Licensor under clause 9.3 within the time specified in the notice.

10 INVESTIGATIONS, INSPECTIONS AND ENQUIRIES

- 10.1 The Licensor may conduct or cause to be conducted such investigations, inspections and enquiries in connection with this Licence as he sees fit.
- 10.2 The Licensee shall use all reasonable endeavours to co-operate fully and provide all reasonable assistance in relation to any investigation, inspection or enquiry conducted pursuant to clause 10.1.
- 10.3 The Licensee acknowledges and agrees that, unless the contrary intention is expressed, any investigation, inspection or enquiry undertaken pursuant to this Licence:
- (1) is without prejudice to the Licensee's rights and obligations under this Licence, at Law or Environmental Law and does not amount to a waiver of any such rights or relieve the Licensee from any such obligations; and
 - (2) does not amount to an acknowledgement by the Licensor, or any officer, servant or agent of the Licensor, that the Licensee has complied with this Licence, Law or Environmental Law in relation to any matters to which the investigation, inspection or enquiry relates.

11 STEP IN RIGHTS

- 11.1 If at any time any obligation of the Licensee under this Licence is not performed, the Licensor may give written notice to the Licensee (hereinafter referred to as a "**Cure Notice**") describing the obligation which is not performed and requiring such failure to be remedied within the period specified in the Cure Notice (which period must be reasonable having regard to the nature of the obligation which was not performed).
- 11.2 If the failure to perform the obligation referred to in the Cure Notice is not remedied within the period specified in such Cure Notice, the Licensor shall be entitled to engage any personnel, execute any works and to provide and install any equipment which in the opinion of the Licensor may be necessary to secure the performance of the relevant obligations.
- 11.3 The Licensor may recover the costs and expenses of exercising all rights under clause 11.2 from the Licensee as a civil debt in any court of competent jurisdiction.

- 11.4 The rights under this clause 11 are without prejudice to any other remedies available to the Licensor under this Licence, at Law or Environmental Law.

12 TERMINATION

- 12.1 The Licensor may, without prejudice to any other remedies available under this Licence, applicable Law or Environmental Law, terminate this Licence, by notice in writing to the Licensee upon the occurrence of the following events without payment of any compensation or refund by the Licensor to the Licensee and without prejudice to any claim by the Licensor in respect of any antecedent breach of any covenant or condition herein contained or without prejudice to any obligation or liability on the part of the Licensee arising under any applicable Law or Environmental Law pursuant to this Licence (including any accrued rights or obligations which exist at the date of termination or expiry of this Licence):

- (i) Where, in respect of the application for this Licence, information has been withheld from the Licensor or information provided to the Licensor is false or misleading in any particular;
- (ii) if any moneys payable by the Licensee under this Licence are not paid by the due date for payment and such failure is not remedied within 21 days after receipt by the Licensee of a notice from the Licensor requiring such breach or non-observance or non-performance to be remedied and stating that this Licence may be terminated pursuant to clause 12.1(ii) if such breach or non-observance or non-performance is not remedied;
- (iii) any breach, non-performance, or non-observance by the Licensee of any covenant on the Licensee's part, condition or agreement contained in this Licence, applicable Law or Environmental Law, which is capable of being remedied and which is not remedied within 21 days after receipt by the Licensee of a notice from the Licensor requiring such breach, non-performance or non-observance to be remedied and stating that this Licence may be terminated pursuant to clause 12.1(iii) if such breach or non-performance or non-observance is not remedied;
- (iv) any breach, non-observance or non-performance by the Licensee of any covenant on the Licensee's part (including a covenant for payment of rent,

royalty or other money), condition or agreement contained in this Licence, applicable Law or Environmental Law;

- (v) repeated breach, non-observance or non-performance by the Licensee of any provision of this Licence, at Law and/or Environmental Law which has been notified to the Licensee by the Licensor and which has not been disputed in good faith, whether or not they are remedied, which are reasonably determined by the Licensor to constitute a breach and which continue after receipt by the Licensee of a notice from the Licensor stating that the Licence may be terminated if such repeated breach, non-observance or non-performance continues;
- (vi) in the event that the Licensee fails to construct and/or install the Facilities in accordance with the Plans approved by the Licensor to the satisfaction of the Licensor;
- (vii) the Licensor is of the view that the capability of the Licensee to discharge fully its obligations under this Licence is materially impaired, including by reason of:
 - (1) the occurrence of the insolvency/liquidation (other than a voluntary liquidation for the purposes of reconstruction or amalgamation) of the Licensee; or
 - (2) any other adverse change in the managerial, technical or financial competence of the Licensee;
- (viii) the Licensee is listed as dissolved or struck off the Register in the Companies Registration Office in the Republic of Ireland; or
- (ix) the Licensee otherwise ceases to exist.

12.2 Without prejudice to Clause 12.1, this Licence may be determined at any time by the Licensor giving three months notice in writing, expiring on any day, to the Licensee, and upon the termination of such notice the Licence and permission hereby granted shall be deemed to be revoked and withdrawn without payment of any compensation or refund by the Licensor to the Licensee and without prejudice to any claim by the Licensor in respect of any antecedent breach of any covenant or condition herein contained or without prejudice to any obligation or liability on the part of the Licensee arising under any applicable Law, Environmental Law or pursuant to this Licence

(including any accrued rights or obligations which exist at the date of termination or expiry of this Licence).

13 RIGHTS AND OBLIGATIONS ON TERMINATION OR EXPIRY

13.1 On the termination or expiry of this Licence:

(1) All rights and powers exercisable by the Licensee pursuant to this Licence shall cease and determine, but without prejudice to any obligation or liability arising under any applicable Law, Environmental Law or pursuant to this Licence (including any accrued rights or obligations which exist at the date of termination or expiry of this Licence) or without prejudice to any claim by the Licensor in respect of any antecedent breach of any covenant or condition herein contained.

(2) All Facilities belonging to the Licensee shall be removed by the Licensee on the termination or expiry of this Licence at its own expense to the satisfaction of the Licensor and the Licensee shall make good any damage caused by such removal and shall restore the Licensed Area to its former condition to the satisfaction of the Licensor.

In the event that the Facilities shall not be removed in agreement with the Licensor on the termination or expiry of this Licence, the Licensor may cause the Facilities to be removed and the Licensee shall pay to the Licensor all reasonable costs, expenses and outgoings incurred in so removing the Facilities, restoring the Licensed Area to its former condition and making good any damage thereby occasioned.

(3) The Licensor may recover the costs and expenses of exercising all rights under clause 13.1 (2) from the Licensee as a civil debt in any court of competent jurisdiction.

(4) Any moneys paid to the Licensor under the terms of this Licence shall not be re-paid.

14 PAYMENT AND INVOICING

14.1 All payments by the Licensee in connection with this Licence:

- (1) shall be made by electronic funds transfer delivered on or before the due date for payment, to the Licensor's account which shall be notified to the Licensee by the Licensor in writing and;
- (2) shall be paid in full, without deduction or set off in respect of any amounts in dispute or any other amounts whatsoever.

14.2 If any amount which is payable under this Licence has not been paid on or before the date that payment is due:

- (1) the party to whom payment is due may institute proceedings for recovery from the other party; and
- (2) in addition to any other remedies under this Licence, the party to whom payment is due is to be paid interest on the outstanding amount at Euribor + 1%, such interest to be calculated from the date that payment was due until the date of actual repayment.

15 REPRESENTATION AND WARRANTIES

15.1 The Licensee represents and warrants to the Licensor that:-

- (1) The Licensee is duly incorporated and organised under the laws of its place of incorporation;
- (2) The Licensee has the corporate capacity and authorisation (internal and external) to enter into and perform the terms of the Licence;
- (3) The representative signing this Licence on behalf of the Licensee is duly authorised in that behalf.

15.2 This Licence expressly excludes any warranty, condition or other undertaking implied at law or by custom and supersedes all previous agreements and understandings between the parties with respect to the subject matter hereof, other than as expressly provided for in this Licence.

16 ASSIGNMENT AND CHANGE OF CONTROL

- 16.1 The benefit of this Licence is personal to the Licensee and not assignable and the rights given hereunder may only be exercised by the Licensee.
- 16.2 For the purposes of this clause, assignment includes any change in Control of the Licensee.

17 INDEMNITIES

- 17.1 To keep the Licensor, the State, and their officers, servants, visitors, agents and employees fully indemnified, whether by State Indemnity or otherwise (during the Term of the Licence as well as after the expiration of the Term by effluxion of time or otherwise and including any extension or renewal of this Licence) from and against all or any actions, proceedings, claims, demands, losses, costs, fees, expenses, damages, penalties and other liabilities arising directly or indirectly from:
- 17.1.1 breach by the Licensee of any of the provisions of this Licence;
 - 17.1.2 the state of repair or condition of the Licensed Area;
 - 17.1.3 the existence of any additions, articles or alterations in, on or to the Licensed Area or from the state of repair or condition of any such additions, articles or alterations;
 - 17.1.4 the use or enjoyment of the Licensed Area;
 - 17.1.5 any work carried out or in the course of being carried out to the Licensed Area (to include work undertaken from the Adjoining Property) by the Licensee, his servants, agents or any other person with its actual or implied authority or from anything now or hereafter attached to or projecting from the Licensed Area;
 - 17.1.6 any act, neglect or default of the Licensee or any person on the Licensed Area with his actual or implied authority or consent;
 - 17.1.7 the execution of any works or the provision or maintenance of any arrangements
so directed or required by any Law;

17.1.8 any contravention of the Planning Acts, the Building Control Acts, Construction Regulations, Environmental Laws and/or the Public Health Acts and from any applications for planning permission, commencement notices, fire safety certificates, Environmental Licences and works and actions taken in pursuance thereof;

17.1.9 any contravention of the Local Government (Water Pollution) Act, 1977 as amended;

17.1.10 any other cause whatsoever arising out of the Facilities and/or Licensed Area;

and to make good all loss sustained by the Licensor in consequence of any breach by the Licensee of any covenants or conditions herein.

17.2 whenever required to do so by the Licensor, to produce to the Licensor for inspection the Confirmation Statement and to comply with all conditions pertaining to State Indemnity.

18 JOINT AND SEVERAL LIABILITY (IF MORE THAN ONE LICENSEE)

Save where otherwise specified, any obligations of the Licensee under this Licence are joint and several obligations.

19 FORCE MAJEURE

19.1 Except as otherwise provided by this Licence, where any party or parties are rendered wholly or partially incapable of performing all or any of their obligations under this Licence by reason of Force Majeure:

- (1) as soon as is reasonably practicable, the party affected by Force Majeure shall notify the other parties, identifying the nature of the event, its expected duration and the particular obligations affected and shall furnish reports at such intervals reasonably requested by the other party during the period of Force Majeure;
- (2) this Licence shall remain in effect but that party's obligations, except for an obligation to make payment of money, and the corresponding obligations of the other party, shall be suspended, provided that the suspension shall be of no greater scope and no longer duration than is required by the Force Majeure;

- (3) subject to full compliance with this clause 19.1, during suspension of any obligation pursuant to clause 19.1(2), the relevant party or parties shall not be treated as being in breach of that obligation;
 - (4) the party affected by the Force Majeure shall use all reasonable efforts to remedy its inability to perform all or any of its obligations under this Licence by reason of Force Majeure and to resume full performance of its obligations under this Licence as soon as is reasonably practicable;
 - (5) as soon as is reasonably practicable after notification of the Force Majeure, each party shall use all reasonable endeavours to consult with the other party as to how best to give effect to their obligations under this Licence so far as is reasonably practicable during the period of the Force Majeure;
 - (6) upon cessation of a party's inability to perform all or any of its obligations under this Licence by reason of Force Majeure, that party shall notify the other party; and
 - (7) insofar as is possible, any party affected by an event of Force Majeure shall do all things reasonably practicable to mitigate the consequences of the Force Majeure.
- 19.2 Clause 19.1(4) shall not require the settlement of any strike, walk-out, lock-out or other labour dispute on terms which, in the sole judgement of the party involved in the dispute, are contrary to its interests.

20 DISPUTE RESOLUTION

- 20.1 Subject to clause 20.10, no party may commence proceedings in relation to any Dispute in connection with this Licence without first complying with the provisions of clause 20.
- 20.2 Any party may notify the other party of the occurrence or discovery of any item or event which the notifying party acting in good faith considers to be a Dispute under or in connection with this Licence (hereinafter referred to as a "**Dispute Notice**").

20.3 A Dispute Notice shall:

- (1) set out the particulars of the issues in dispute in sufficient detail and be accompanied by sufficient supporting documentation (if relevant) to enable the recipient or recipients of the notice to fully understand the Dispute; and
- (2) identify an individual to represent that party in discussions in relation to the Dispute, such individual to have:
 - (a) expertise or experience in the subject matter of the Dispute; and
 - (b) authority to negotiate in relation to the Dispute.

20.4 The recipient of a Dispute Notice shall, within 10 Business Days after the date of the Dispute Notice:

- (1) appoint an individual to represent that recipient in discussions in relation to the Dispute, such individual to have:
 - (a) expertise or experience in the subject matter of the Dispute; and
 - (b) authority to negotiate in relation to the Dispute; and
- (2) notify the details of that individual to the sender of the Dispute Notice.

20.5 The nominated representatives shall meet as soon as practicable, but in any event not more than 20 Business Days after the date of the Dispute Notice, to attempt in good faith using all reasonable endeavours to resolve the Dispute satisfactorily.

20.6 If a Dispute is not resolved to any party's satisfaction by the nominated representatives under clause 20.5 within 30 Business Days after the date of the Dispute Notice, the Dispute may, by notice in writing by any party to the other party to the Dispute, be referred to arbitration for determination by a single arbitrator appointed by agreement between the parties.

20.7 Failing agreement on the appointment of an arbitrator within the time frame set out in clause 20.6, the arbitrator shall be appointed at the request of any party, after giving notice in writing to the other party to the Dispute, by the President for the time being of the Law Society of Ireland.

- 20.8 The provisions of the Arbitration Act 2010 and any amendments thereto shall apply to the arbitration.
- 20.9 Performance of obligations under this Licence shall continue during any Dispute Resolution Procedure pursuant to this clause 20.
- 20.10 Nothing in this clause 20 prevents any party from seeking urgent declaratory injunctive or other interlocutory relief.

21 COMPLIANCE WITH PLANNING

- 21.1 The Licensee shall obtain all planning permissions, fire safety certificates, Environmental Licences, permissions and other consents required for the construction, installation and operation of the Facilities and comply at its own cost therewith and any local authority requirements. On the completion of the construction and installation of the Facilities, the Licensee shall furnish the Licensor with its architect's certificate of compliance in respect of such permissions.
- 21.2 The Licensee shall not implement any planning permission before it and all required fire safety certificates and Environmental Licences have been produced to the Licensor.
- 21.3 In the event of the Licensed area or the Facilities or the construction and installation thereof not conforming to the planning permission, fire safety certificate or Environmental Licences procured in respect thereof, the Licensee shall carry out such alterations or amendments as shall be necessary to comply therewith. However in the event of it becoming impossible to comply with the planning permission, fire safety certificate or Environmental Licences procured, to restore the Licensed Area to its former condition and to the satisfaction of the Licensor.
- 21.4 The Licensee shall not do anything on or in connection with the Licensed Area, Plant and equipment the doing or omission of which shall be a contravention of the Planning and Development Acts, 2000 to 2020 as amended, the Building Control Acts 1990 to 2014, as amended and the Safety, Health and Welfare at Work Act 1989 and 2005, as amended or of any notices, orders, licenses, consents, permissions and conditions (if any) served, made, granted or imposed thereunder. In the event of permission or approval from any local authority under the Planning and Development Acts 2000 to 2020, as amended, or the Building Control Acts 1990 to 2014, as amended, or the Local Government (Sanitary Services) Act, 1878, as amended or the Public Health

Acts 1878 to 2001, as amended, and any statutory modification or re-enactment thereof for the time being in force and regulations or order made thereunder being necessary for any addition, alteration or change in or to the Licensed Area for the change of use thereof, to apply, at its own cost to the relevant local authority for all approvals, certificates, consents and permissions which may be required in connection therewith and to give notice to the Licensor of the grant or refusal (as the case may be) together with copies of all such approvals, certificates, consents and permissions forthwith on receipt thereof and to comply with all conditions, regulations, bye-laws and other matters prescribed by any competent authority whether generally or specifically in respect thereof and to carry out such works at the Licensee's own expense in a good and workmanlike manner to the satisfaction of the Licensor. The Licensee shall produce to the Licensor on demand all plans, documents and other evidence as the Licensor may reasonably require in order to satisfy himself that the provisions of this Licence have been complied with in all respects.

21.5 The Licensee shall give notice forthwith to the Licensor of any notice, order or proposal for a notice under the Planning and Development Acts, 2000 to 2020 as amended or the Building Control Acts 1990 to 2014 as amended, or the Local Government (Sanitary Services) Act, 1878, as amended, or the Public Health Acts, 1878 to 2001, as amended and comply at its own cost therewith.

21.6 The Licensee shall at the request of the Licensor, but at its own cost, make or join in making such objections or representations in respect of any proposal the Licensor may require to be made.

22 OUTGOINGS

22.1 The Licensee shall pay and discharge:

- (i) All rates, taxes, duties, charges, assessments, impositions and outgoings whatsoever charged, levied, assessed, imposed upon or payable in respect of the Licensed Area.
- (ii) All costs associated with the construction and installation of the Facilities and the continued operation and use thereof including the cost of any work which the Licensor may have to do to facilitate any act or thing hereby authorised.

23 EXERCISE OF RIGHTS

- 23.1 To exercise the Licence hereby granted in such a manner as to cause no damage or injury to the Licensed Area, the Licensors, the occupants of the Licensed Area and any adjoining property or Foreshore and to forthwith from time to time with due diligence repair and make compensation for any such damage or injury that may be so caused.

24 INSURANCE/STATE INDEMNITY

Without prejudice to the Licensee's liability to indemnify the Licensors (and others as specified in clause 17) in accordance with the provisions of Clause 17:-

- 24.1 to insure and keep insured, in an insurance office licensed to operate in the State or which has received authorisation to operate in the State in accordance with Article 14 of Directive 2009/138EC in the joint names of the Licensors and the Licensee in the full reinstatement cost thereof (to be determined from time to time by the Licensors or his surveyor and including an inflationary factor) the Licensed Area and all buildings thereon and the fixtures and fittings therein (if any) against loss or damage by the Insured Risks, including demolition and site clearance expenses, architects' and other fees and taxes in relation to the reinstatement of the Licensed Area, such policy to include a non-invalidity clause acceptable to the Licensors.
- 24.2 to effect and keep in force a public liability insurance policy of indemnity in the joint names of the Licensors and Licensee in an insurance office licensed to operate in the State with a limit of [REDACTED] or such increased amount as the Licensors may from time to time determine) in respect of any one claim or a series of claims arising out of a single occurrence for any damage, loss or injury which may occur to any property (not being the property of the Licensors or the Licensee) or to any person by or arising out of the admission of any person to the Licensed Area, and to extend such policy so that the Licensors is indemnified by the insurers in the same manner as the Licensee or to provide the Confirmation Statement referred to at 24.5 below. This policy should include an indemnity to principles clause with a specific indemnity to the Licensors.
- 24.3 to effect and keep in force an employer's liability insurance policy of indemnity

in the joint names of the Licensor and Licensee in an insurance office licensed to operate in the State with a limit of €12,700,000.00 (twelve million, seven hundred thousand euro) (or such increased amount as the Licensor may from time to time determine) for any one claim or a series of claims arising out of a single occurrence and to extend such policy so that the Licensor is indemnified by the insurers in the same manner as the Licensee in respect of all actions, costs, proceedings, losses, damages, or claims for personal injuries by employees of the Licensee or to provide the Confirmation Statement referred to at 24.5 below. This policy should include an indemnity to principles clause with a specific indemnity to the Licensor.

- 24.4 in the event that the Licensed Area or the Facilities or any part thereof, shall be destroyed or damaged by fire or any of the Insured Risks, then and as often as shall happen, to lay out all monies received in respect of such insurance as aforesaid as soon as practicable in or upon rebuilding, repairing or reinstating the Licensed Area in a good and substantial manner and in the event that such monies shall be insufficient for the said purpose, to make good the deficiency.
- 24.5 whenever required to do so by the Licensor, to produce to the Licensor for inspection the said policy or policies together with the latest receipt of the premium paid for renewal of the said policy or policies together with evidence of waiver of subrogation rights against the Licensor by the Licensee's insurers, and to comply with all conditions pertaining to any such policy or policies or where State Indemnity is relied on whenever required to do so by the Licensor, to produce to the Licensor for inspection the Confirmation Statement.
- 24.6 such joint policy or policies, if required, to contain a non-vitiating clause whereby subject to the terms, conditions, limitations of the policy or policies, any non-disclosure, mistake or misrepresentation of a material fact by the Licensee gives sufficient reason for the insurer to prove the insurance policy to be void, the Licensor will not be denied the protection of the policy.
- 24.7 not to do or omit to do anything which might cause any policy of insurance (if required) relating to the Licensed Area or any Adjoining Property owned by the Licensor to become void or voidable, wholly or in part, nor (unless the Licensee has previously notified the Licensor and the Licensee has agreed to pay the increased premium) to do anything whereby any abnormal or loaded premium

may become payable.

24.8 to immediately notify the Licensor in writing of the making of any claim under any policy of insurance or State Indemnity and to provide the Licensor with all information in relation to any such claim.

24.9 to ensure that any contractors, servants, agents, invitees or visitors of the Licensee engaged in connection with activities in the Licensed Area or otherwise in connection with this Licence have appropriate insurance and that all copies of such insurance policies shall be provided to the Licensor as soon as is reasonably practicable.

25. NOTICES

25.1 Save where otherwise provided, any demand or notice to be made, given, or served on foot of this Licence may be given in writing by sending same by pre-paid post to (i) the office of the Licensee at 27 Fitzwilliam Street Lower, Dublin 2, D02 KT92, or such other address as shall be notified by the Licensee to the Licensor, in writing, or (ii) the office of the Licensor being Custom House, Dublin, D01 W6X0 or such other address as shall be notified to the Licensee, in writing.

25.2 Any such demand or notice shall be deemed to have been made, given or served when posted at the expiration of three working days after the envelope containing the same and properly addressed was put in the post.

26. VARIATION

26.1 No amendment to this Licence shall be effective unless it is in the form of a supplemental instrument executed by the parties.

26.2 The Licensor reserves the right to review and amend by way of supplemental instrument any of the terms of this Licence.

27. RELATIONSHIP OF THE PARTIES

27.1 Nothing in this Licence may be interpreted or construed as creating any landlord and tenant relationship, any tenancy in or right to possession of or any right of easement over or in respect of the Licensed Area or adjoining property/Foreshore of the Licensor,

or any agency, association, joint venture or partnership between the Licensor and the Licensee.

27.2 Except as is expressly provided for in this Licence, nothing in this Licence grants any right, power or authority to any party to enter into any agreement or undertaking for, act on behalf of or otherwise bind any other party.

27.3 It is hereby certified for the purposes of Section 238 of the Companies Act 2014 that the Licensor is not a director or a person connected with a director of the Licensee.

28. SEVERABILITY

28.1 If any provision of this Licence is or becomes or is declared invalid, unenforceable or illegal by the courts of any jurisdiction to which it is subject or by order of the relevant body of the European Union, that provision shall be severed and the remainder of this Licence shall remain in full force and effect.

28.2 The parties shall comply with this Licence as amended in accordance with this clause 28.

29. STAMP DUTY

To stamp (if applicable) this Licence and counterpart thereof as soon as practicable after the execution of same and to furnish the counterpart duly stamped to the Chief State Solicitor on behalf of the Licensee within three months of the date of execution of the Licence.

30. GOVERNING LAW

30.1 The Licence shall be governed and construed in accordance with the laws of Ireland.

30.2 Subject to clause 20, the parties hereby submit irrevocably to the non-exclusive jurisdiction of the courts of Ireland.

FIRST SCHEDULE

"LICENSED AREA"

ALL THAT AND THOSE that part of the Foreshore comprising 98.15 hectares or thereabouts metric measure together with any works or other structures thereon or to be hereafter constructed thereon, situate at the Shannon estuary between Moneypoint, County Clare and Kilpaddoge, County Kerry more particularly shown outlined in red and marked with the letters "Area A, 98.15 ha" on Drawing Number "379408-MMD-XX-00-GIS-N-1009", Rev "2", Title "Foreshore Licence Map Application Licence Number: FS007083" attached hereto and including, without prejudice to the generality of the foregoing, the Plans.

SECOND SCHEDULE

"SPECIFIC CONDITIONS"

31. The Licensee shall throughout the Term:
- 31.1 Use that part of the Foreshore as shown outlined in red on the drawing Title "Foreshore Licence Map Application Licence Number: FS007083", Drawing No: 379408-MMD-XX-00-GIS-N-1009, Rev "2" Date "01/07/2020", the subject matter of this Licence for the purposes as outlined in the application and for no other purposes whatsoever.
 - 31.2 Ensure that the Facilities and works shall be undertaken on the Foreshore as outlined in the drawing titled "Subsea Cable Route Plan Layout & Sections", Drawing No: 229379408-MMD-01-XX-DR-E-1124 Rev. PL1 Dated: 14/10/2020 and associated drawings subject to condition 31.23 below.
 - 31.3 Ensure that the Department of Housing, Local Government and Heritage shall be notified 14 days prior to commencement of the Facilities and works.
 - 31.4 Ensure that the Inland Fisheries Ireland office in Limerick shall be notified one week in advance of the commencement of the Facilities and works.
 - 31.5 Ensure that Inland Fisheries Ireland shall be consulted on the final Construction Environmental Management Plan and on specific works method statements prior to the Facilities and construction commencing.
 - 31.6 Engage with Shannon Foynes Port Company throughout the construction phase of the subsea cables to ensure the safety of navigation is maintained for all mariners within the sea area covered by this Licence and the application.
 - 31.7 Consult with Shannon Foynes Port Company as the Local Lighthouse Authority specifically on any requirements for the installation of aids to navigation which will require Statutory Sanction from the Commissioners for Irish Lights.
 - 31.8 Ensure that contractors, and their subcontractors, are made aware of all Licence conditions and project specific requirements and that they are required to have briefings on these to ensure all parties are fully aware of these requirements.
 - 31.9 Ensure that the mitigation measures specified in Section 3.6 of the NIS (Aquafact 2020), in the Outline Construction Environmental Management Plan and Chapters 6 to 15 of the Planning and Environmental Considerations Report (Mott McDonald 2020) are implemented in full.
 - 31.10 Ensure that soft-start and ramp-up procedures are used, both on a day-to-day basis and on re-start after any stoppages within any day, for any sound generating surveys undertaken, in line with best practice.
 - 31.11 To protect surface waters ensure that:
 - a. All discharges to and through the surface water collection and disposal system to groundwater and thence to surface water shall not be of

- environmental significance.
 - b. There shall be no permitted discharges to surface water resources of contaminated water or surface water run-off from the Facilities and development.
 - c. Servicing including refuelling of Plant and equipment shall only be undertaken on impermeable hard standing areas.
 - d. All Plant and equipment used within the Licensed Area and subject site shall carry spill clean-up kits and not be used or operated if there is evidence of leakage or damaged oil seals.
 - e. There shall be no discharge during the construction period of the Facilities of cementitious materials or residues thereof to the surface water or drainage network.
 - f. When cast-in-place concrete is required, all Facilities and works shall be undertaken in the dry and effectively isolated from entering any receiving surface or foul sewers for a period sufficient to cure the concrete.
 - g. Concrete delivery vehicles shall be precluded from washing out at locations that could result in a discharge to the surface or foul sewers.
 - h. Where cement or lime is stored on the Licensed Area or on site, it shall be held in a dry secure area.
 - i. All oils and fuels used on or within the Licensed Area or on site shall be stored in secure bunded areas, and servicing including refuelling of Plant and equipment shall only be undertaken on impermeable hard standing areas.
 - j. Where temporary diesel or petrol driven pumps are used within the Licensed Area or on site, they shall be positioned within portable bunded units.
 - k. Any silt curtains to be deployed should comply with the relevant European Standard CE 1137-CPR-0613/29.
- 31.12 Ensure that the timings of the Facilities and work shall be cognisant of the migratory window of diadromous species.
- 31.13 Ensure that the Facilities and submarine cable pre-lay, cable installation and post-lay activities provide a free passage for fish species along one bank of the estuary to allow species migrating up and downstream.
- 31.14 With reference to the Emergency Response Plan, the Licensee shall ensure that all staff working in the vicinity of watercourses are aware of procedures to prevent silt or other pollutants from reaching watercourses. Sufficient materials to aid in diversion/containment on any such spillage shall be readily available and stored nearby.
- 31.15 Ensure that the contact details for local Inland Fisheries Ireland staff shall be provided to the contractor and shall be added to the Emergency Response Manual.
- 31.16 Ensure that refuelling of Plant and vessels engaged in the Facilities and works shall take place in port at the quayside using suitable hoses and equipment to avoid any spillages.
- 31.17 Ensure that no waste materials, bilge water or wastewater shall be deposited into the sea from the Plant and vessels engaged in the Facilities and works at any time. All waste materials, bilge water and wastewater from the Plant and vessels engaged in the Facilities and works shall be brought onshore for proper

removal and disposal by a licensed waste contractor.

- 31.18 Ensure that all spillages and pollution events at the Facilities and development sites which may cause potential contamination of seafood shall be immediately reported to the Dingle Sea Fishery Protection Agency office.
- 31.19 Dive Survey and Archaeological Testing: SS12:
- A. Ensure that a 100m exclusion zone shall remain in place until such time as anomaly SS12 (identified in the PECR) has been fully and more closely assessed. Based on the results and consideration by the National Monument Service of the results, the exclusion zone may remain in place (i.e., 100m), may be reduced (to 60m) or indeed prove to be unnecessary should the anomaly not be of cultural significance.
 - B. Ensure that if, on safety grounds, there cannot be an archaeological dive survey, then a remotely operated underwater vehicle (ROV) survey shall be undertaken to ensure the anomaly is visualised and can be fully assessed in real time by the archaeologist engaged for the project. The ROV survey shall assess the wider area around SS12 to ensure there is no associated material in the immediate area.
 - C. Ensure that the archaeologist shall be on board the vessel when the ROV survey is being undertaken to ensure he/she can assess the results in real time.
- 31.20 Dive Survey and Archaeological Testing: M10 and S1:
- A. Ensure that archaeological testing shall be undertaken in the area of the southern landfall S1 (identified in the PECR) shall be prepared and shall follow the route of the cables to the existing Kilpaddocke substation.
 - B. Ensure that the area where the localised magnetometer anomalies M10 are located on the nearshore/onshore area at Moneypoint for the northern landfall N2 (identified in the PECR) shall be the subject to archaeological testing.
 - C. Ensure that the location, nature and extent of all test trenches shall be provided to the National Monuments Service. Sufficient trenches shall be put in place to assess fully the area from the Foreshore (at low water) and inshore for N2 to identify what the magnetometer anomalies are on the Foreshore (at low water) to the green field areas and from the Foreshore (at low water) and onshore to the substation for S2 to ensure the line of the cables are fully archaeologically tested.
 - D. Ensure that the methodology submitted should include a detailed finds retrieval strategy.
- 31.21 Archaeological Dive and Testing Report: Ensure that once all surveys and testing have been completed, the full information shall be compiled into a Report submitted to the Underwater Archaeology Unit, National Monuments Service for review and further comment in advance of any Facilities and works taking place. The Licensee shall be prepared to be advised by the Department in this regard.
- 31.22 Ensure that an appropriate Marine Notice detailing the Facilities, works and vessels engaged in said Facilities and works shall be published for the information of all marine users in the Shannon Estuary.
- 31.23 Ensure that following burial of the cables on the Foreshore at the southern landfall the Foreshore shall be back filled with native beach material at the pre

works beach grade level and the Foreshore shall be restored to natural like condition so as to not impede public access along the Foreshore and to reduce the visual impact of the Facilities and works.

- 31.24 Ensure that the Facilities and works at the southern landfall, when completed, do not impede access along the shore or Foreshore and the Foreshore is restored to a natural like condition.
- 31.25 Ensure that a Marine Notice shall be issued once the Facilities and work is completed clearly indicating the cables location on the river bed to indicate that vessels should not anchor in the location of the cable.
- 31.26 Ensure the information regarding the final location, depth and shore markings of submarine cables is submitted to the United Kingdom Hydrographic Office for inclusion on relevant navigation charts.
