

AIE Requests - Q1 2023

AIE Req No	Date Received	Requester	Subject	Decision Date	Decision
AIE-1-1-2023	19-Jan-23	Journalist	<p>Under the AIE Regs to request the following records in relation to OPW compliance with the Open Data Directive</p> <ol style="list-style-type: none"> Any data audits conducted by or for OPW to identify environmental datasets under the Open Data Directive Directive 2019/1024/EU introduces the concept of high value datasets (HVDs). Please list any HVDs identified by OPW Under Regulation 4 of SI 376/2021 all Departments/Offices and relevant bodies under their aegis are obliged to supply to the Minister for Public Expenditure and Reform with information as requested from time to time, such as open data progress reports. Provide copies of the OPW progress reports as supplied to PER. All Departments/Offices and relevant bodies under their aegis must assign responsibility to an officer for matters arising under these Regulations in line with the national Open Data Strategy. Please provide contacts for any Open Data officers appointed at OPW from 2021 to date In line with Regulation 13 of SI 376/2021, the details of any new exclusive arrangements being entered into must be published online at least two months before they come into force. Please provide list of any exclusive arrangements agreed to date by OPW Any exemptions sought by OPW to the release of open data, and which datasets these exemptions related to Public Bodies must draft an Open Data Publication Plan. Provide a copy of any OPW draft or completed open data plans to date All public bodies need to publish details of what data is available for re-use and the licencing conditions that apply (CC BY 4.0 Attribution advised). Please provide a list of (where this differs from data audit list, see above) Copy of OPW's RPSI Policy (RPSI is Reuse of Public Sector Information) <p>Under the AIE Regs to request the following records in relation to OPW compliance with the Open Data Directive</p> <ol style="list-style-type: none"> Any data audits conducted by or for OPW to identify environmental datasets under the Open Data Directive Directive 2019/1024/EU introduces the concept of high value datasets (HVDs).
