

Charities registered as Pet Sellers/Suppliers

01st March 2024

This is a list of charities, who have registered with the Department of Agriculture, Food and the Marine, as pet sellers/suppliers.

Sellers/suppliers of six or more pet animals in a calendar year must apply to be entered into the Register of Sellers and Suppliers of Pet Animals and premises used in connection with the sale or supply of pet animals must be entered into the Register of Premises.

This register is updated frequently.

The registration requirement does not apply to persons to whom the Dog Breeding Establishments Act 2010 applies, or a local authority or a facility run by or on behalf of a local authority. It does not apply to those who sell or supply less than six pet animals in a calendar year.
