#### Agenda

##### 1. Consultation process

JC provided an update on the review of submissions received as part of the public consultation, including Department & Agency and Local Government surveys.

Feedback received has directly informed action development and provides an evidence base for the level of ambition required in the second National Implementation Plan.

##### 2. NIP Development

NH provided an overview of actions and structure developments to date, including updated actions a delivery dates following bilateral with lead Depts.

Progress on chapter development was outlined, including opportunities for input from Departments. IDWG members were asked to consider potential material for inclusion which would showcase SDG activity across Government.

IDWG members were advised, final draft of actions would be circulated for obs following review by the SOG. IDWG members were reminded that actions should be brought to the attention of policy areas with lead responsibility for action delivery.

3. **Next meeting of the SOG**

JC provided an update next meeting of the SOG, due to be held

4. **Next Steps**

JC outlined next steps to finalise the plan, including a final round of obs at the National Stakeholder Forum prior to publication.

5. **AOB**

Next meeting of the IDWG will be scheduled following ambition agreement at the SOG
