

ACRES Circular No. 19/2023

15th September 2023

**Agri-Climate Rural Environment Scheme (ACRES)
Reminder of Closing Date for Submission of ACRES Scorecards**

Dear ACRES Advisor

The Department is pleased to note that a significant number of completed scorecards in respect of results-based actions in the Agri-Climate Rural Environment Scheme (ACRES) have been submitted to date.

For those who have yet to submit completed scorecards, you are reminded that the deadline for the submission of completed scorecards for results-based actions under Tranche 1 of the Agri-Climate Rural Environment Scheme (ACRES) is **23:59 Friday 29th September 2023.**

This extension was notified to you in 'Circular No. 17 of 2023 - Extension of Closing Date for submission of ACRES Scorecards' on 1st August 2023. Please refer to this circular for further information and guidance.

You are also reminded that, as the deadline for submission was extended by approximately 4 weeks, the **7-day late submission facility is no longer available.** Scorecards received after the September 29th deadline will not be eligible for payment and may result in the removal of the action from the ACRES contract.

Yours sincerely

ACRES Team
