

Circular 23 of 2023

29th September 2023

Agri-Climate Rural Environment Scheme (ACRES)
Extension to establishment deadline for specific arable-based actions

Dear Advisor

As a result of persistent adverse weather conditions, a further extension has been granted to the establishment deadline for the following actions only:

- Catch Crops
- Environmental Management of Arable Fallow (catch crop element only)
- Geese and Swans – Arable (catch crop element only)
- Grass margins - Arable
- Protection and maintenance of archaeological monuments - Arable
- Riparian buffer strips/zones – Arable

The final date for establishing the above six actions has been extended to 31st October 2023. This extension applies to 2023 only.

Yours sincerely,
ACRES Team
