Give details of date, spread method, volume of slurry produced on the holding; volume imported; total volume spread and LPIIS numbers where the slurry was applied.  
Note: At least 50m<sup>3</sup> of slurry must be applied annually on the holding to be eligible for this action. For calculation purposes 1m<sup>3</sup> equals 1,000 litres (220 gallons).  
Note: Imports will not be included in calculation of payable total.

Agri-Climate Rural Environment Scheme

**LESS Claim**

A false or misleading statement may lead to disqualification, liability to refund any payments obtained and possible prosecution. Failure to submit this form may result in you becoming ineligible for payment for the Low-emission Slurry Spreading action and/or the Scheme itself. Please note that payment will not issue or may be delayed if all relevant fields are not completed.

Contractor Details

Give details of dates, spread method, volume of slurry produced on the holding, volume imported, total volume spread and LPIS numbers where the slurry was applied.  
Note: At least 50m³ of slurry must be applied.  
Note: Imports will not be included in calculation.

**Submit LESS Claim**

⚠ You have entered less than the minimum amount 50m³ required for payment. Please note that this will result in your LESS action being rejected and a clawback of any monies paid for this action under your contract.

Do you wish to continue with submission of your claim?

[Cancel](#) [Yes](#)

Here, the user can 'Cancel' and return to the previous screen, where they can 'Add New Spread'; or select 'Yes' to continue with the submission of the LESS Claim. Continuing with the submission will result in participant not being paid for their LESS action for that year, and a clawback of any monies already paid for their LESS action under their contract.
