Dear ACRES Advisor

Following on from ACRES Circular No. 32 of 2023 where we advised of the process for cases where you were unable to submit an application for ACRES Tranche 2 due to system issues, we will be arranging to re-open the application system for submission of these applications in the coming weeks.

In order to ensure we have recorded all relevant cases where an application could not be submitted due to technical issues, please forward your complete list of cases to [ACRESTRanche2@agriculture.gov.ie](mailto:ACRESTRanche2@agriculture.gov.ie) by 5.30 pm on Friday 19<sup>th</sup> January 2024.

Please note that only cases brought to the attention of the ACRES section on or before the ACRES Tranche 2 closing date of 5.30pm on December 13<sup>th</sup>, 2023, will be facilitated under the application re-opening process.

Once we receive your complete list of clients, we will cross reference your list against records held by the ACRES section to ensure all qualifying applications are facilitated.

Please note that only cases that you have previously informed us of by email and screenshot prior to the closing date will be facilitated.
