Details of any revisions and amendments are available on the Department of Transport, Tourism and Sport’s websites:

www.dttas.gov.ie and www.trafficsigns.ie

This document is the most recent version of the Traffic Signs Manual, first published in 1996 by the Department of the Environment.

Where an Irish or British Standard is referred to but has been superseded by a Harmonised European Standard or a European Standard, then the Harmonised European Standard or European Standard shall be substituted for the Irish or British Standard.

When referred to, the terms National Roads Authority or NRA have the same meaning as Transport Infrastructure Ireland or TII respectively.

This Manual, published by the Department of Transport, Tourism and Sport, constitutes a Direction given by the Minister of Transport, Tourism and Sport to Road Authorities under Section 95(16) of the Road Traffic Act 1961 in relation to the provision of traffic signs.
