

Department of Health (DoH): Disability Consultative Committee

Terms of Reference

1. Provide a forum for engagement between Department of Health (DoH) and Health Service Executive (HSE) officials and representatives of the Disability Stakeholders Group, the National Disability Authority, and national advocacy bodies in relation to implementation of the National Disability Inclusion Strategy (NDIS) in the health sector at national level, HSE and national advocacy bodies.
2. Monitor and review progress in relation to the implementation of actions in the National Disability Inclusion Strategy where the Department of Health and HSE have the lead role.
3. Where major cross-sectoral issues arise, such matters will be relayed to the National Disability Inclusion Strategy Steering Group (NDISSG) by the three nominated representatives of the Disability Stakeholders Group.
4. The Committee will be chaired by an official from the DoH and the Department will provide the Secretariat for the Committee. Meetings will be scheduled on a quarterly basis, in advance of NDIS Steering Group meetings.
