<sup>&</sup>lt;sup>1</sup> Figures are provided by the Payroll Shared Services Centre (PSSC) which is under the remit of the Department of Public Expenditure and Reform (PSSC). The PSSC and DPER are responsible for pension payments and pension administration services respectively for the Central Fund.

<sup>&</sup>lt;sup>2,3</sup> These charges refer to two pension payments incorrectly charged to the Central Fund. A total of €12205.21 was recouped from the Superannuation and Retired Allowances Vote in 2016 and the balance recouped in 2017.

<sup>&</sup>lt;sup>4</sup> Pensions surrendered in 2016 may differ from that recorded in the Finance Account (Statement 1.2 under Other Receipts) due to the time-lag in the payover of voluntary pension deductions to the Exchequer.
