

Construction Sector Group – Terms of Reference

The CSG has been established in order to ensure regular and open dialogue between Government and the construction sector. The group is focusing on issues that may impact on the successful delivery of the NDP and to consider wider developments in the construction sector. Its remit includes:

- Working with industry and government bodies to (a) benchmark and improve productivity and environmental sustainability and (b) to modernise public works delivery.
- Considering opportunities to introduce reforms within the sector that will help in controlling construction price inflation, improving efficiency and delivering value for money for investment.
- Assessing the supply of necessary skills and measures enhancing capacity (including potential use of overseas contractors).
- Issues arising from inadequate or ineffective regulation, poor performance and systemic poor quality.
